

GERMAN SHEPHERD DOG (LONG STOCK COAT)

Judge: Mrs Honey Gross-Richardson

INTERMEDIATE BITCH**1st 300 HAUSOSIN TAINTED LOVE**S:*Toby von der Plassenburg SchH3 (imp Deu) Ex.M
D:*Hausosin Gallana AZ Ex.M

DOB: 2/08/2012

Br: EXH

Exh: K Harris

18.3/4 months. 59cm. Well above medium size, medium strong, well coloured long stock coat bitch of very good type. Very good feminine head and expression, good medium eye. Good forequarter and very good hindquarter angulations. Stands with good withers, firm straight back, good croup that could be a tick longer. Balanced chest proportions. Stands correct in front with very good top and underline. Steps correct going and coming with elbows yet to attain final firmness. Exhibits very good ground coverage with free reach and very good drive. **Very Good**

Summary

L/B Ursus von Batu 5 - 5

Toby Plassenburg a Vegas v Fichtenschlag son, brings us the strength of Vegas du Haut Mansard, by Pakros d'Ulmental, and from his motherline, Orbit Huhnegrab, a Yasko Farbennspiel son.

This lovely bitch's mother, the beautiful and well producing Hausosin Gallana, was a Minor Bitch Class winner at a Queensland National a few years back and I believe gained Reserve Challenge Bitch from that position. Gallana is a Mika v Overledingerland daughter. This line of Quenn v Loher Weg was coupled to Hausosin Aintnosin, a Troy Noriswand daughter, to bring us a litter, three of which are exhibited in the Intermediate classes LSC bitch and dog, and SC Bitch in the 2014 SBE.

INTERMEDIATE DOG**1st 301 HAUSOSIN TOPSY TURVY**S:*Toby von der Plassenburg SchH3 (imp Deu) Ex.M
D:*Hausosin Gallana AZ Ex.M

DOB: 2/08/2012

Br: EXH

Exh: K Harris

20.3/4 months. 63cm. Missing I. 2 right, misaligned upper I.1 on the left. Correct medium size, medium strong, well proportioned, well coated, coloured and pigmented, black and gold long stock coat dog of very good type. Very pleasing masculine head, very good expression, desired dark eye. Stands with high withers, straight back, good croup that could be just a tic longer. Very good balanced fore and hindquarter angulations, slight roach over the topline. Good fore and underchest. Stands not quite correct in front. Steps slightly loose going and coming. Shows balanced movement where both the reach and the drive should be more effective. **Ungraded**

Summary

L/B Ursus von Batu 5 – 5

And here, the litter brother. Straight from a family home into the show ring.

GERMAN SHEPHERD DOG (LONG STOCK COAT) - Cont**OPEN DOG****1st 303 *SEIGEN LITTLE VINCENT**

S:*Seigen Party Starter AZ Ex

D:*Seigen Miss Know It All AZ Ex

DOB: 26/09/2008

Br: D&C Gallacher

Exh: S Redfern/F Wray

5.1/2 years. 65cm. A large, strong, substantial, harmoniously constructed, well coated, coloured and pigmented long stock coat male of very good type. Very good head and expression, very good masking, dark eyes. Stands with high withers, firm back, good croup that could be a tick longer. Very good balanced angulations. Very good top and underline. Stands still correct in front. He exhibits balanced movement with very good ground coverage where the reach could be just a little freer. **Off lead** gait shows expansive movement, again slight restriction of the forequarter but maintaining a firm back and exhibits himself as a very good representative of the long stock coat German Shepherd dog breed. Unfortunately reacted to the gun today and was down graded. **Very Good. LSC State Sieger 2014**

Summary

His sire, Seigen Party Starter by the Ex. Merit dog, State Sieger Iccara X Man CDX ET, perhaps the leading son of State Sieger Eisenland Fernando, an Uno Urbecke son, also carrying Hasenway Wild Knight, a Monte Cito son, and Quincito Awol, and through his dam, Seigen All For Love, a Troy v der Noriswand daughter out of Whoopi vom Arminius, goes back to Scott Deodatus. His mother, Seigen Miss Know It All, a Pino v Drei Birkenzwinger daughter, carrying the lines of Eros Luisenstrasse and Cello Römerau, is out of Fremont Yours Truly, by Aimsway Gold Logie who goes back to Laios v Noort, and on the dams side carries Sieger Iniff Vagrant, all through Aimsway bitches.

I was very much looking forward to seeing Progeny of this well bred dog of excellent qualities.

GERMAN SHEPHERD DOG (STOCK COAT)

BABY PUPPY BITCH

Judge: Mrs Robyn Knuckey

Baby Puppy Bitch Class Summary

I would like to take this opportunity to thank the GSDA of WA for the kind invitation to judge again at the 2014 State Breed Exhibition. This continues to be an extremely well supported event by the breeders and exhibitors of the Association. A special thank you to the stewards and stenographers that have worked diligently to support the judges over the entire weekend. The entry for the weekend was excellent, so thanks to all for entering.

The Baby Bitch class had 14 entries, 12 presented on the morning of the show, 1 was withdrawn with the judge's permission as she was limping. One of the babies scratched, arrived late and was subsequently critiqued as a part of the Critique Only class.

Of the 14 entries, there were 10 sires and dams represented, 6 of those sires are WA based. Three bitches presented in the Open Bitch class had progeny in the Baby Bitch class. The only multiple sires, were from one litter, so there are no dominant bloodlines presented in the class. This evidenced some differences in type, but overall a very high quality class with all baby puppies graded very promising.

The winning bitch, Iccara Eyes on Fire (Vladimir Anarchy/Brutus 2-3), her dam and grand-dam were presented in to Open Bitch class. She is the continuation of a very strong motherline, with all of a very similar type and virtues. The second bitch, Alderhaus Pixies Emilee (Hill Farbenspiel 4-5, Pia Zenteiche 5-5) also had her mother presented in the Open Bitch class. She is a substantial and very well pigmented bitch, similar type to the bitch in first place, but in general, a lot looser coming and going. In third place, Shaygar Willo The Whisp, sired by the 2014 Sieger, Hinterhaus French Liaison, a more medium strong, firmer and drier baby, with very good sequence of steps, standing in the type of her sire.

Class Virtues

- Eye Colour
- Top and underlines
- Pigmentation
- Proportions

Class Faults

- Croup length, and at times a little steep.
- Some babies presented with more than normal puppy looseness of the hocks
- Some issues with strength of skull and foreface.

1st 310 ICCARA EYES ON FIRE
S:*Vladimir Envy Of Them All
D:*Iccara Coco Pop AZ

DOB: 23/11/2013
Br: EXH

BABY PUPPY DOG

Judge: Mr John Fenner

Class Summary :

With just four (4) entries and all exhibited and from different sires in this class, very few collective observations or conclusions may be drawn from the overall impression, virtues and shortcomings in the Baby Puppy Class. Although few in numbers, there is a very high quality amongst them all, particularly the first three placegetters.

It comes as no surprise in this class that all the four sires of the puppies presented, being Tiger Town, Pepe, Toby and Alfie have such young sons that stand very much in the type and overall construction to each of their sires, respectively. This is a very good sign for the future of each sire, that is, some predictability of inherited attributes.

1st 318 ICCARA CATTHATTIGER **DOB:** 3/11/2013
 S:*Bluemax Tiger Town AZ Ex **Br:** C Mailata/S Woollard
 D:*Hausosin Quicksilver AZ Ex **Exh:** K Harris

5.1/2 months. Strong, very well proportioned baby puppy dog of very promising type and very harmonious and balanced construction. Well pigmented, tan sable markings. Very good head and expression, with very good eye colour. Good length of neck, high withers, firm back and good croup. Good fore and underchest development for his age. Correct in front. Very good fore and hindquarter angulations. Moves close behind, correct coming, with normal puppy infirmness of both hocks and elbows. Displays very good ground-covering movement, with very free reach and strong drive.

Place: **1st.** Graded: **Very Promising 1.**

2nd 321 ALDERHAUS PEPES MADE IN OZ **DOB:** 14/12/2013
 S:*Pepe von der Zenteiche (imp Deu) Ex **Br:** EXH
 D:*Alderhaus Queen Pixie Vegas AZ **Exh:** P Alder

4.1/4 months. Strong, very well proportioned length to height baby puppy dog of very promising type and very good construction. Well pigmented black and tan saddle markings. Presented just slightly heavy in condition. Very good head and expression, complemented by good eye colour. Slightly short neck, high well placed withers, firm back, slightly short and slightly steep croup. Correct in front. Pronounced fore and underchest development for his age. Very good fore and pronounced hindquarter angulation. Moves somewhat close behind, correct coming, with normal puppy infirmness of both hocks and elbows. Displays very roomy, ground-covering movement, with free reach and strong drive.

Place: **2nd.** Graded: **Very Promising 2.**

3rd 320 LASHADAS NAMES COLIN **DOB:** 12/12/2013
 S:*Toby von der Plassenburg SchH3 (imp Deu) Ex.M **Br:** EXH
 D:*Lashadas Butterflykisses AZ Ex.M **Exh:** R&S Hosking

4.1/4 months. Strong, very well proportioned baby puppy dog of very promising type and very balanced construction. Well pigmented, black and gold saddle markings. Good head and expression complemented by good eye colour. Normal length of neck, high withers, straight back, slightly short and steep croup. Correct in front, paws could be closer knit. Good fore and underchest development for his age. Very good fore and hindquarter angulations. Moves correct behind and correct coming, with normal puppy infirmness of both hocks and elbows. Displays very balanced and effective ground-covering movement, with free reach and strong drive.

Place: **3rd.** Graded: **Very Promising 3.**

4th 319 SEIGEN MADE IN OZ **DOB:** 23/11/2013
 S:*Seigen Suris Alfie AZ Ex.M **Br:** EXH
 D:*Seigen Genie In A Bottle AZ Ex **Exh:** D&C Gallacher

Just under 5 months. Slightly fine, compactly proportioned baby puppy dog of promising type. Black and gold saddle markings. The head should be stronger. Normal length of neck, high withers, straight back, short and steep croup. Correct in front. Somewhat soft in pasterns. Normal fore and underchest development for his age. Good forequarter angulation and extreme hindquarter angulation. Moves cow-hocked and loose behind and slightly wide in front with loose elbows. Still displays good ground-covering movement, where the reach should be more free and the drive more powerful.

Place: **4th.** Graded: **Very Promising 4.**

Class Summaries - Minor and Puppy Classes – Ms Natalie Humphries

Hello, and thank you for exhibiting your lovely dogs and bitches under me in the Minor and Puppy classes. The following is a brief overall of the classes I judged based on what was seen on the day.

Minor Bitch Class - 9 entered, 1 scratched, 1 transferred to Critique Only class.
5 different sires were represented.

My winning bitch, exhibit No. 325 Volscaro Classic Porscha, Sire Seigen Suri's Alfie Dam Volscaro Missy Brown (exhibited in Open Bitch Class Excellent Merit 2). For me this bitch was my clear winner on the day with her overall very good type, angulations, length of neck and very good top and underline.

Overall Class virtues:

- . Very good size
- . Some mixed type due to number of different sires
- . Generally good eye colour

Faults:

- . Some slightly deep hindquarters
- . Some short necks

Minor Dog Class - Will be discussed with puppy dog class due to only 1 exhibit in this class.

Puppy Bitch Class - 7 entered, all presented.
5 different sires represented again resulting in some mixed type.

My winning bitch, exhibit No. 333 Joanchell Priska IID. Her Dam Bonita v Contra was exhibited in the Open bitch class (Excellent Merit 3) The winner is of lovely type and proportions with very good length of neck and very good top and underline. My one small criticism is that I would prefer her to stand more correct in front. Her litter sister was placed VP 6 in this class.

Overall Class Virtues:

- . Generally good size with only a few larger animals
- . Good underlines

Faults:

- . Tendency in a number of exhibits to not stand correct in front which was reflected in movement coming towards (wrists turning out)
- . Some slightly deep hindquarters
- . Only 1 exhibit with correct dark eye colour.

Minor and Puppy Dog Classes - 1 minor dog entered and shown, 3 puppy dogs entered and shown.
3 different sires represented Type is once again mixed.

Winning puppy dog, Joanchell Panto IID, was of very good type with very good top and underline and is the litter brother to the winning Puppy bitch.

Overall Class Virtues:

- . Size is generally good with only 1 dog standing on upper limit.
- . Generally good eye colour

Faults:

- . Tendency for a number of exhibits to not stand correct in front.
- . Some Slightly deep hindquarters
- . 1 dog with a wry bite

9.1/2 months. Double P1 upper right, slightly wry bite. Large, medium strong dog of very good type and proportions. Very good head and expression with desired dark eye colour. Normal withers, straight back, croup is of good lay but could be slightly longer. Very good length of neck. Good forequarter angulation, the upper arm could be longer and slightly better angled, slightly deep hindquarter angulation. Good underline. Stands not quite correct in front. Moves correct going, turns the right wrist out coming. Shows very good balanced movement with good reach and drive. **Promising**

JUNIOR BITCH

Judge :Mrs Robyn Knuckey

Junior Bitch Class Summary

With the Junior Bitch class there were 11 entries, with the full class presented on the day. The class is represented by 9 sires and 10 dams, 6 of the 9 sires are WA based. The most dominant sire is *Seigen Suris Alfie with 3 daughters from 2 litters. These were placed 2, 7 & 9. There were 2 progeny in this class of bitches entered in the Open Bitch class. This class was again one of very high quality, but some mixture in overall type, which is to be expected with the broad spectrum of bloodlines presented. The gradings were Very Good Merit to the first placed bitch (the second bitch would have been graded VGM as well, but is yet to gain the AZ stamps) and the following 10 were graded Very Good. Six bitches have no linebreeding in their pedigree and 5 with linebreeding, 4 to Iwan Lechtal and 1 to Troy Noriswand

The first placed bitch Seigen Fashions Fireworks AZ, is out of the successful dam Kazkiri Suri (also the dam of Seigen Suris Alfie) & Willy Wonka. She was very impressive during all phases of the class, with very good pigmentation and the correct stage of development for a Junior Bitch, presenting with correct height to length ratios, very good length of neck, and very powerful movement at the walk and gait. The second placed bitch Seigen Mini Miss Bliss (Alfie x Bliss Fulicious), the similarity in type is noted between the first two bitches, but as only just into the class has not gained her AZ stamp. She is just under medium size, very good length of neck, and very free flowing, powerful movement, with very good overall firmness of the topline. The bloodline connection is obvious. The third bitch, Iccara Love Me Tender AZ, (Gold Logie x Vladimir Fetish), is stronger and more compact in body proportions to the 2 bitches in front of her with overall very good firmness of ligamentation.

Class Virtues

- Overall Size – medium to large
- Overall pigmentation
- Top and underlines
- Overall length of neck
- Overall good lay of croup

Class Faults

- Slightly deep hindquarter angulation
- Infirmness of hocks and elbows
- Generally, only good angulation of the forequarter
- Croups need to be longer

croup is of good lay but could be slightly longer. Good fore, slightly deep hindquarter angulation. Stands correct in front with good fore and underchest development and good height to depth ratio. Steps slightly wide going, correct coming where the elbows are firm. Very good ground covering movement with overall good firmness. **Very Good**

7th 345 SEIGEN AVAS ANYA AZ

S:*Seigen Suris Alfie AZ Ex.M
D:*Seigen Crunchies Ava AZ Ex

DOB: 6/02/2013
Br: EXH
Exh: D&C Gallacher

14 months. 60 cms. Large, medium strong, very well pigmented, harmoniously constructed bitch of very good type. Very good head and expression with praiseworthy masking. Very good length of neck, high long wither, firm back, croup is of very good lay but could be slightly longer. Very good fore, slightly deep hindquarter angulation. Stands correct in front. Very good fore and underchest development. Steps correct going and coming where the elbows should remain a little firmer. Powerful, far reaching movement with good firmness of the topline. **Very Good**

JUNIOR DOG

Judge: Mr John Fenner

Class Summary :

With just three (3) entries and only two being exhibited in this class, little constructive observations or conclusions may be drawn about the impressions, virtues and shortcomings in the Junior Class. Although few in numbers, I felt there was a medium quality of exhibits in the class, from which I foresaw successful progress to the Open Class in the future as a real challenge at this point of their development.

Both of these dogs are from different sires and share very little, if any, in more immediate common ancestry. I would prefer that both of these dogs had darker eyes, longer and better laid croups, and in particular they need longer and better laid upper arms. Overall, both dogs have fairly balanced construction and movement.

Initially on first impression, it appeared that Murphies Law might triumph over Falcon for first place, but this was not to be. During the gaing section of the class, it became evident that the comparative soundness coming and going, together with a slightly superior lay of shoulder, plus length and proportion of foreleg, enabled the effective Falcon to out move Murphies Law. Each dog can be considered as being fairly typical of their sire, which is a useful sign.

1st 354 SHAYGAR FALCON AZ
S:*Schaeferhund Rafael AZ Ex
D:*Shaygar Jaxonique AZ Ex.M

DOB: 21/02/2013
Br: EXH
Exh: JAK Smith

14 months. 64.5cm. Well above medium size, medium strong, compactly proportioned dog of good type. Black and gold saddle markings. Good head and expression complemented by good masking and with medium eye colour. Normal length of neck, high withers, back has slight peak, slightly short and steep croup. Good fore and underchest development, where the underchest should be longer. Correct in front. Front paws could be closer knit. Good forequarter angulation, where the upper arm should be longer and better laid, good hindquarter angulation. Moves correct going, hocks still to firm, moves correct coming, elbows still to firm. Still displays good ground-covering movement, where the reach could be a little more free and the drive a little stronger, whilst retaining his topline.

Graded: VERY GOOD 1

2nd 353 SEIGEN MURPHYS LAW AZ
S:*Seigen Suris Alfie AZ Ex.M
D:*Seigen Kiss N Tell AZ Ex

DOB: 24/12/2012
Br: EXH
Exh: D&C Gallacher

16 months. 65cm. Large, strong, very well proportioned dog of very good type. Well pigmented, black and gold saddle markings. Good head and expression, with good masking and medium eye colour. Normal length of neck, high withers, firm back, slightly short slightly steep croup. Correct in front. Normal fore and underchest development, where the underchest should be slightly longer. Good forequarter, where the upper arm could be slightly longer and better laid, and very good hindquarter angulation. Moves slightly close and slightly loose behind, and slightly wide coming, where the elbows should be firmer. Displays very good ground-covering movement, where the reach could be a little more free and the drive is strong with a still good retention of topline.

19 months. 60 cms. Large, strong, substantial, well coloured and pigmented bitch of very good type. Lovely feminine head, very good masking and good brown eye. Stands with good withers, firm straight back, good croup that could be just a tic longer. Good fore and very good hindquarter angulation. Good fore and underchest proportions. Very good top and underline. Stands correct in front. Steps correct going and coming. Shows zestful movement with the drive even more pronounced than the reach. **Very Good Merit**

Summary

L/B Ursus von Batu 5 - 5

Toby Plassenburg a Wegas v Fichtenschlag son, brings us the strength of Vegas du Haut Mansard, by Pakros d'Ulmental, and from his motherline, Orbit Huhnegrab, a Yasko Farbenspiel son. Her mother, the well producing Hausosin Gallana, was a Minor Bitch class winner at a Queensland National a few years back, and I believe gained Reserve Challenge bitch from that position. Gallana is a Mika v Overledingerland daughter. This line of Quenn v Loher Weg was coupled to Hausosin Aintnosin, a Troy Noriswand daughter, to bring us a litter, three of which are exhibited in the Intermediate classes LSC dog, LSC bitch & SC Bitch today.

OPEN BITCH

Judge: Mrs Roby Knuckey

Open Bitch Class Summary

There were 11 bitches entered in the Open Bitch class, with 8 presented for the critiquing section. One bitch was withdrawn, prior to the run off, as had been unwell after being given some milk to drink. An absolute highlight of the class was that the 7 bitches presented for the final gaiting exercises, all had progeny presented in the preceding classes of the SBE. I believe this is the first time this has occurred, congratulations to the owners and breeders. The other highlight of the class, was the total self-assurance demonstrated by all animals with the gun test and temperament testing.

The 7 bitches come from 6 sires and 7 dams, so again much diversified bloodlines, 2 bitches are sired by *Aldahoven High Flyer, 4 of the sires are WA based, with 1 bitch having a daughter presented in the class. Six of the seven have line breeding, Iwan Lechtal x 2 (one of these bitches was also line bred on Iniff Vagrant), Uran Wildsteiger Land, Arko Huhnegrab/Prima Zorba, Leah van Contra and Hill Farbenspiel.

There was a mixture of older bitches with more established progeny that are breed surveyed and have AZ stamps, plus some lovely younger bitches with young progeny that show some great promise. It was overall a very exciting class, and sets the stage to take the breed in WA to the next level with the promised producing ability.

The gradings of the class are five Excellent Merits and two Excellents.

The Siegerin, **Iccara Bellas Lullabye**, was Reserve Siegerin in 2013 and presented again this year, with her daughter *Iccara Coco Pop, also in the Open Bitch class. Coco Pop, also has a sister that has been successfully breed surveyed. To date 'Bellas Lullabye' has had 3 litters, with progeny from 2 of the litters presented in this event. Her daughter Excellent Merit 5 and a son placed second in Puppy Dog. Her granddaughter (out of Coco Pop) was the winner of the Baby Bitch class. At 5 years of age, she presents in full maturity, measured 59cms, with excellent hip and elbow status. She is medium strong and substantial, with a strong head and very good forequarter angulation, which is expected from her bloodlines of being line bred on Arko Huhnegrab 5-5 and Prima Zorba 5-5. She is also correct going and coming, with free-flowing movement and was firm and dry. With her own excellent anatomical virtues and demonstrated producing ability as a dam, was the very worthy and deserving winner of the Siegerin title.

The Reserve Siegerin, **Volscaro Missy Brown**, is the oldest bitch in the class, at 7 years of age, line breeding Uran Wildsteiger Land 5-5. She has had 2 litters, the first litter producing the very beautiful *Volscaro Ciao Bella, BIS 2013 WCC. From her second litter, her daughter, Volscaro Classic Porscha, was the winner of the Minor Bitch class. Even though, she herself has grade 2 elbows, her daughter Ciao Bella has normal elbows. Again a bitch of excellent size, 58.5cms and type, that is very typical of her motherline going back to the Denargun line. Presented in slightly heavy condition on the day, but this did not diminish her excellent movement and joy in running, with a very good forequarter angulation.

Excellent Merit 3 **Bonita van Contra (imp Hun)**, presented for the first time at the SBE, at 5 years and 6 months. She is linebred on Leah Contra 4-2. Her lines are a combination of Larus Batu and Vegas du Haut Mansard. Again a bitch of above medium size, 58.5cms, substantial, good croup and very good angulations. Ideally her forehand reach can be little more effective, as she steps a little high. She presented 3 progeny from her litter imported in dam, from Dux Glockenheide (Naxos son). From this progeny were the winners of the Puppy Dog and Bitch classes, which are very typey to each other. Her son, Joanchell Panto, was also the winner of the Top Junior Obedience and Show Trophy, demonstrating the working ability of the bloodline.

Excellent Merit 4 is **Shaygar Jaxonique**, line breeding is Iwan Lechtal 3-3 & Iniff Vagrant 5-5, and this bitch has been presented previously in the Open Bitch class and graded Excellent Merit. At this show, she is 6 years and 5 months and has whelped 2 litters. From her second litter, she presented 2 progeny in the Junior classes, with her son Shaygar Falcon winning the Junior dog class, both have the AZ stamp. She is a medium size bitch, 57.5cms, with a very good topline, with very good length of neck. Presented out of coat on the day, but with her previous show career and quality progeny, is very deserving of her Excellent Merit grading.

Excellent Merit 5 is **Iccara Coco Pop**, the youngest bitch in the class at 2 years and 3 months. She is the daughter of the Siegerin, and of outstanding anatomical structure. If this was a normal show, would have been the clear winner of the class today. She is line bred on Iwan Lechtal 5,5-5. Again, a medium size bitch measuring 58cms, of beautiful harmonious construction, with very good firmness of ligamentation. Her daughter, Iccara Eyes on Fire, was the winner of a very strong Baby Bitch class. Although still very young, with her outstanding anatomical construction, deserved to be elevated into the Excellent Merit Group.

Excellent 1 is **Alderhaus Queen Pixie Vegas**, 2 years and 4 months, line bred to Hill Farbenspiel 4-5. She stands on the absolute maximum of size at 61cms, strong and substantial, with a very good topline and length of neck. She had progeny presented in the Baby Dog and Bitch classes, with second place in both. On the day, is yet to achieve her firmness and dryness again following the litter. In the off-lead gaiting could have shown a little more power in movement. I look forward to this lovely bitch, with powerful movement on lead, being presented again in future, in drier condition and her progeny being a little older, to be elevated into the Excellent Merit group.

Excellent 2 is **Vallejo Leones Spirit of the Law**, 2 years and 8 months, large 60cms. Her mother is the litter sister to the Sieger today and has an open pedigree. She is slightly more stretched in body proportions than the bitches in front of her. She had 2 bitches in the Baby Bitch class, and a daughter and son in the Critique Only class. This bitch was the winner of the CCD class in the Closed Club Trial with 95/100. Very deserving of her Excellent grading.

Class Virtues

- Size, most below 60cms
- Overall proportions
- Eye colour
- Top and underlines
- Character
- Movement
- Pigmentation
- Very good elbow status 8/11 bitches entered

Class Faults

- Slightly deep hindquarter angulation
- Forequarters very good to good
- Loose hocks
- Slightly loose elbows

OPEN DOG

Judge: Mr John Fenner

For this SBE 2014, I have given much consideration to each Open Dog's individual anatomical virtues, current and future potential for breed contribution, including size and freedom from exaggeration, whilst also being mindful of mental attributes and performance on the day. Some of the most essential breed issues addressed with a mind to significantly provide potential to improve were type, proportions, forequarters, croups and size, plus the two current concerns of the short underchest and extreme structure with unsoundness of hindquarters.

All of the dogs in this class have previously been Breed Surveyed successfully and shown at Specialty Shows with distinction to Surveyors and Judges. In this context, not only have I considered what was presented on the day, but most importantly, all factors of the previously existing phenotype and genetic make-up of each exhibit. This includes physical condition, mental attributes and reactions observed under previous occasions, plus potential to make a significant contribution to the future of the breed.

For all the Open Dogs, I would desire that the elbow status of their families was absolutely convincing, but as with all things and breeding considerations, we must try to work best with what we are presented. That aspect has had a substantial bearing on the final placings, as did hip status, correct type and complementary bloodlines.

Therefore, my final placings and gradings become self-evident, with the bloodlines of the Excellent Merit Dogs potentially being able to complement each other and existing stock, especially in WA, from the breeding viewpoint. With all those criteria in mind, I am pleased to present this year's :

Excellent Merit Group :

- Excellent Merit 1 : *Ch **Hinterhaus French Liaison** CCD ET **A (2/4) Z (0/0)** [past gradings ExM 2, 3 & VGM 1].
- Excellent Merit 2 : ***Grandwest Malisas Gold Logie** **A (1/3) Z (0/0)** [past gradings ExM 2, VGM 1].
- Excellent Merit 3 : ***Homer von Amasis** (imp Italy) **HD (NN) ED (N)** [FCI] [past gradings ExM 3, VGM 1].

Excellent Group :

- Excellent 1 : ***Sabaranburg Iceman** **A (5/4) Z (0/0)** [past grading VG 1].
- Excellent 2 : ***Vladimir Envy of Them all** **A (3/5) Z (0/0)** [past grading Ex 1].
- Excellent 3 : ***Lashadas Xang Bang** **A (2/2) Z (1/1 Gr 1)** [past grading Ex 1].
- Excellent 4 : ***Bluemax Jimmy Neutron** **A (3/1) Z (0/0)** [past grading VG 1].

Of the seven (7) dogs exhibited in this class, the three (3) listed above (French Liaison, Gold Logie and Homer) have sufficiently met the "Merit" criteria to gain that distinction, on the day and at this point in time. Certainly on this occasion, their overall impression of type was in a distinct class of their own. For those three (3) lightly bred Excellent Merit dogs to achieve "Merit" status in the future, that achievement should require presentation of a good sire typical representative progeny group or verified quality offspring in Australia or New Zealand.

French Liaison is a mature dog that is still to present a progeny class, but is in the most likely and best position to offer connections to Zamp Thermodos/Quantum Arminius via a top improver of elbow and hip status, namely As du Domaine du val D'Aulnoy. At just over five and a half (5 ½) years of age, he was presented for the third time in the Open Class, with 2 years residing in Broome, so it is still difficult to present a progeny class at this time. He was first Junior Dog at the SBE 2010 with a Very Good Merit grading and also first Minor Dog at the GSD National in 2009. His sire is the top producing As du Domaine du val D'Aulnoy (Quantum Arminius grandson), whilst his dam is line-bred on Iwan Lechtal, a dog that has very positively influenced the breed in WA and Australia.

In 2011 and 2012, French Liaison was placed Excellent Merit 3 and 2, and again this year remains strategically placed to offer a new and better alternative sireline to the breeding stock in WA. I have absolute confidence that French Liaison will contribute significant males and females to the Oceania region in future, given the chance. He needs the opportunity to serve top bitches from alternate bloodlines of Jeck Noricum, Zamb Wienerau, Mark Haus Beck, Canto Arminius, Uran Wildsteiger Land and Mutz Pelztierfarm. Whilst it is essential to avoid or minimize bloodlines carrying Edlenblut Orkan, Enzo Buchhorn, Nero Norbachtal and Aimsway Abacus.

Grandwest Malisas Gold Logie and Homer von Amasis are still to present progeny groups, but are most likely and well positioned to offer complementary genetic connections and anatomy to all or most WA bitches and especially the progeny of other dogs. Both Gold Logie and Homer offer superior type, anatomy and powerful ground covering movement.

In future years, if the resultant generations of progeny of the three (3) Excellent Merit dogs above are used wisely together, then there should be a very strong and positive leap forward in the type and overall quality of the subsequent progeny.

All four (4) dogs that were graded Excellent, namely Sabaranburg Iceman, Vladimir Envy of Them All, Lashadas Xang Bang and Bluemax Jimmy Neutron, on this occasion did not present enough potential or a significant and reassuring performance to warrant them being included in the Excellent Merit group, on the day.

I must say that I was disappointed that Bluemax Tiger Town, who was presented to lead his small yet very impressive progeny class, was not exhibited in the Open Class. From what I saw of his progeny at the SBE and his individual impression in Sires Progeny Class on the day, plus the potential he has always shown me, a chance for an Excellent Merit grading at the event could have reasonably been expected.

 S:*Ch As du Domaine du val D'Aulnoy a ED SchH1 (imp Fra) Ex.S Br: J Davis
 D:*Hinterhaus Butterscotch AZ Ex Exh: D Freegard

5.1/2 years. 64.0cm high. 30cm deep (46.9%). Above medium size, strong, very well proportioned dog of very good type and overall harmony of construction. Well pigmented, black and tan saddle markings. Very good head and expression, with good eye colour and masking. Very good length of neck, high well placed withers, straight firm back and very good croup. Stands correct in front. Well-developed fore and underchest, with the desired length of underchest. Very good fore and hindquarter angulations. Moves correct going and coming, with good overall firmness of both hocks and elbows. **On lead** displays convincing movement, with a very strong, powerful and expansive gait, showing effortless length of stride and very good back transmission, whilst retaining a very good topline. **On loose lead** shows again his powerful, dynamic movement, which is very expansive and ground-covering, with free reach and strong drive, whilst retaining a very good topline. **Off lead** displays the same very good ground-covering movement, that reflects his gaiting on lead, with free reach, strong drive and still very good retention of topline.

Place: **1st.** Graded: **Excellent Merit 1 and State Sieger 2014.**

Behaviour: Character firm, full of temperament and gunsure. Very suited to training as a working dog.

Linebreeding: Nil, but carries lines to Jeck Noricum and Zamb Wienerau via Zamp Themodos, plus Mark Haus Beck via Iwan Lechtal in the motherline.

Sireline: As du Domaine du Val d'Avlnoy / **Zamp v Themodos** / **Quantum v Arminius** / Dux della Valcuvia / Max della Loggia dei Mercanti / **Visum v Arminius** / **Jeck v Noricum** / **Odin v Tannenmeise** / **Quando v Arminius** / **Xaver v Arminius** / **Lasso di Val Sole** / **Quanto v d Wienerau**.

Sireline HD/ED: His sire, As du Domaine du Val d'Avlnoy, is overall amongst Australia's best producers for overall sound results in both HD (0 to 10 scores are 90%)and ED (Normal scores are 90.5%).

Progeny: From the recent Breed Survey we saw his daughter, a beautiful brood type bitch that excelled in angulations of the forequarters, hindquarters and croup. Very few males offer that potential to offspring, when standing at stud. Also, a sire typical daughter aged 3 ½ months was placed third in the Baby Bitch Class on her first time exhibited. This all augers well for the future potential towards the breeding value of the sire.

French Liaison "Diesel", at just over five and a half (5.5) years of age, was presented for the third time in the Open Class in the SBE 2014. Unfortunately, he has not had the opportunity to produce a progeny class of significance at

this time. Impeding his potential to present progeny of future promise, he has spent the last two years in the virtual breeding vacuum of Broome. So today, what does this lovely dog have to offer the GSD as a Breed ?

He was first Junior Dog at the SBE 2010 with a Very Good Merit grading and also first Minor Dog at the GSD National in 2009. In the 2011 SBE he was Excellent Merit 3, in 2012 SBE he was Ex Merit 2 and at our recent Champ Show he was V2 to the VA dog, Ustinov v Rommerland. At most shows throughout his career, he has been a consistent winner or high placegetter, so he is perceived by most GSD Specialist Judges as being potentially valuable as a stud dog.

This dog is presented in best possible condition for his age, demonstrating much breed potential and the desired application to perform in shows, now he has matured with a consistent work ethic. Physically overall, he displayed the required anatomy, fitness, much enthusiasm and willingness to work as the class progressed, which finally lead to a very convincing gaiting performance at the concluding stages of the class.

His sire is the very good producing As du Domaine du Val d'Avloy (a son of Zamp Thermodos) and his dam, Hinterhaus Butterscotch, linebred on Iwan Lechtal, a dog that has already very positively influenced the breed in Australia. As's statistics on hip and elbow status for progeny are very good from the breeder's point of view, and he has a good number of progeny that have excelled at shows and at Breed Survey.

"Diesel" stands in the type of his father that carries the very influential bloodline of Zamp Thermodos and via the mother line, carries the bloodline of Iwan Lechtal. He is a very well-bred dog that represents his bloodline and impresses with his overall harmonious construction and type. He has a very well-constructed pedigree that should display much predictability when using this sire at stud, plus the potential to produce top males.

Also he has very good litter mates, with very good show and Breed Survey results and has participated in both aspects of show and obedience. As a potential sire, further breeding to the lines of Edlenblut Orkan, Iniff Vagrant and Enzo Buchhorn are not recommended. Re-enforcement of his correct attributes of type, size, length of underchest and angulations to lines carrying Jeck Noricum, Zamb Wienerau and Dux Cuatro Flores should be most beneficial. Linebreeding him to Quantum Arminius would be most advantageous.

2nd 382 *GRANDWEST MALISAS GOLD LOGIE A (1/3) Z (0/0)

S:*Ch Kardin Kruger AZ Ex.S

D:*Malisa vom Finkenschlag a (imp Deu) Z Ex.M

DOB: 12/04/2011

Br: EXH

Exh: D&C Willis

3 years. 64.5cm high. 30.5cm deep (47.3%). Well above medium size, strong, correctly proportioned dog of very good type and harmony of construction. Black and tan saddle markings. Very good head and expression, complemented by good masking, dark eyes and correct ear set. Good length of neck, high well placed withers, straight firm back and very good croup. Correct in front. Very good fore and underchest development. Very good fore and hindquarter angulations. Moves correct going and coming, where the elbows could be just slightly firmer. **On lead** displays very convincing ground-covering movement, with very free reach and powerful drive, whilst maintaining an excellent topline. **On loose lead** displays dynamic, very ground-covering movement, with very free reach and strong drive, whilst maintaining a good topline. **Off lead** still displays very good ground-covering movement, with free reach and strong drive, whilst maintaining a good topline.

Place: **2nd.** Graded: **Excellent Merit 2 and Reserve State Sieger 2014.**

Behaviour: Character firm, full of temperament and gunsure. Well suited to training as a working dog.

Linebreeding: Nil, but this is a very open pedigree that carries lines to Zamb Wienerau via Kwint Juerikstall and Tony Wienerau, Jeck Noricum via numerous bloodlines, Uran Wildsteiger Land via Odin Holtkamper Hof, and Mark Haus Beck via Iwan Lechtal.

Sireline: Kardin Kruger / Kwint v Juerikstall / Levis v Fossenbrone / Urk v d Wienerau / Gorbi v d Wienerau / Zamb v d Wienerau / Odin v Tannenmeise / Quando v Arminius / Xaver v Arminius / Lasso di Val Sole / Quanto v d Wienerau.

Sireline HD/ED: It is too early for a definitive statement to be made on his inherited values. His sire's (Kruger) recent stats results in both are HD (0 to 10 scores are 82%) and ED (Normal scores are 76.5%).

Progeny: Too young, but some may need to be present next year to assist inclusion into the Merit group.

Grandwest Malisas Gold Logie is are still to present a progeny group to a SBE. However, he is most likely and well positioned to offer complementary genetic connections and anatomy to all WA bitches and the progeny of other dogs. Gold Logie offers superior anatomy and powerful ground covering movement.

Grandwest Malisas Gold Logie's past gradings of ExM 2 at the 2013 SBE and VGM 1 as a Junior at the 2012 SBE, plus his significant top show results across Australia under so many Specialist Judges has seen him gain much admiration as a future potentially positive breed influence. He is under-utilized as a sire of so much potential.

Gold Logie is in a strong position to offer valuable connections to Zamb v d Wienerau via Kwint v Juerikstall and via his mother, Malisa vom Finkenschlag, connections to Uran Wildsteiger Land from her sire Odin Holtkamper Hof. Also, he carries Iwan Lechtal via his sire, back in the fourth generation.

At just three (3) years of age and showing much maturity for a young Open dog, I believe he has much to offer the Breed in this State and the rest of the country. In future years, if the resultant generations of progeny of Gold Logie and the other two (2) Excellent Merit dogs promoted this year are used wisely together, then there should be a very strong and positive leap forward in the type, compatibility and overall quality of the subsequent progeny.

3rd 380 *HOMER von AMASIS (imp Italy) HD (NN) ED (N) [FCI]
 S:*VA(Italy) Chivas von Bad Boll SchH3
 D:*Bania del Seprio

DOB: 31/10/2010
Br: Husler & Calignano
Exh: P Alder/R van Helvoort/
 J&L Martens

3.1/2 years. 65.5cm. 28.5cm deep (43.5%). A quite large, strong, very well proportioned dog of very good type with much balance and harmony of construction. Well pigmented, black and tan saddle markings. Very good head and expression, with very good planes of skull and foreface, complemented by good masking and complementary eye colour. Good length of neck, high well placed withers, straight firm back and good croup. Very good fore and underchest development. Correct in front. Very good fore and hindquarter angulations. Moves correct going and coming, where the elbows could be just slightly firmer. **On lead** displays very good ground-covering movement with free reach and strong drive, whilst maintaining a nice topline. **On loose lead** still displays very good ground-covering movement, free reach and strong drive, while maintaining a good topline. **Off lead** displays very good ground-covering movement, with very good reach and strong drive, whilst maintaining a good topline.

Place: **3rd**. Graded: **Excellent Merit 3**.

Behaviour: Character firm, full of temperament and gunsure. Well suited to training as a working dog.

Linebreeding: Rikkor Bad-Boll (4-3), Ursus Batu (4-4). With lines to Uran Wildsteiger Land via Odin Holtkamper Hof, Jeck Noricum via various bloodlines and Mark Haus Beck via Valium Arminius.

Sireline: Chivas von Bad Boll / Odin vom Holtkamper Hof / Yak vom Frankengold / Hoss vom Larchenhain / Dorijan vom Johannes Berg / Ghandi vom Heilbronner Schloss / Kalle von der Noriswand / Uran vom Wildsteiger Land / Irk von Arminius / PiroL von Arminius / Cliff vom Haus Beck / Quanto v d Wienerau.

Sireline HD/ED: Chivas' statistics were not available at the time of this compilation, but his Italian/FCI scores are HD (Near Normal) and ED (Normal). No definitive statement can be made at this time.

Progeny: Primarily in NSW, which are very young puppies aged between 3 and less than 12 months, so no definitive statement can be made, apart from four (4) of those puppies being very well-placed at the recent GSDL NSW Championship Show.

Homer von Amasis is still to present a progeny group in WA. But I think of him as being most likely and well positioned to offer alternative and complementary genetic connections and anatomy to all WA bitches and the progeny of other dogs. Homer offers superior anatomy, especially praiseworthy depth to height proportions to the benefit of deep bitches, plus a very effective and powerful ground covering movement.

Homer von Amasis has past gradings Ex M 3 at the 2013 SBE and VG M 1 as an Intermediate at the 2012 SBE. He has presented himself with distinction at Shows under many Specialist Judges, gaining much admiration as a future potentially positive breed influence.

Being a son of Odin Holtkamper Hof, this provides connections to Uran Wildsteiger Land, as well as being linebred to Rikkor Bad-Boll (4-3). Homer also carries the influence in his pedigree of Ursus Batu (4-4). At three and a half (3 ½) years of age and showing very good maturity for his age, I am sure he has a lot to offer the Breed in this State and the rest of the country.

In the future, if the resultant generations of progeny of Homer and the other two (2) Excellent Merit dogs promoted this year are used wisely together, then there should be a very strong and positive leap forward in the type and overall quality of the subsequent progeny.

All four (4) of the remaining dogs that were presented in this class were graded Excellent, namely Sabaranburg Iceman, Vladimir Envy of Them all, Lashadas Xang Bang and Bluemax Jimmy Neutron.

4th 383 *SABARANBURG ICEMAN A (5/4) Z (0/0) **DOB:** 21/05/2011
 S:*Ch Kardin Kruger AZ Ex.S **Br:** EXH
 D:*Ch Bruvic Kontiki AZ Ex.M **Exh:** B&L Lubbock

2 years 11 months. 65.0cm. 31.5cm deep (48.5%). A large, good medium strong, well proportioned dog of very good type and very balanced construction. Black and gold saddle markings. His coat is slightly wavy over the topline and tail. Very good head and expression complemented by dark eyes. Normal length of neck, high withers, straight firm back, just slightly short and slightly steep croup. Stands correct in front. Good fore and well developed underchest. Very good forequarter angulation, where the upper arm could still be better laid. Very good hindquarter angulation. Steps correct going and coming, both the hocks and elbows still to attain final firmness. **On lead** displays very good ground-covering movement with free reach, strong drive, whilst maintaining a good topline. **On loose lead** displays very good ground-covering movement with free reach, strong drive and maintains a good topline. **Off lead** still shows very good ground-covering movement that is very balanced, with good reach and drive, whilst maintaining a good topline.

Place: **4th**. Graded: **Excellent 1**.

Behaviour: Character firm, full of temperament and gunsure. Suited to training as a working dog.

Linebreeding: Quartz dei Templari (5-5) and also carries lines to Jeck Noricum via Ursus Batu, Zamb Wienerau via Kwint Juerikstall and Mark Haus Beck via Iwan Lechtal.

Sireline: Kardin Kruger / Kwint v Juerikstall / Levis v Fossenbrone / Urk v d Wienerau / Gorbi v d Wienerau / Zamb v d Wienerau / Odin v Tannenmeise / Quando v Arminius / Xaver v Arminius / Lasso di Val Sole / Quanto v d Wienerau.

Sireline HD/ED: Too early for a definitive statement to be made. His sire's (Kruger) recent stats results in both are HD (0 to 10 scores are 82%) and ED (Normal scores are 76.5%).

Progeny: Too young, but some may need to be present next year to assist inclusion into the Merit group.

On this occasion, Sabaranburg Iceman did not present enough potential or a significant and reassuring performance to warrant them being included in the Excellent Merit group, on the day. Overall anatomically, Iceman is a quite well constructed dog and still has balanced and effective movement, so thoroughly deserves his Excellent grading. I look forward to seeing some progeny from him over the next year to see what he produces, as he is a well-bred dog that potentially, put to the right compatible bitch, hopefully will surprise us.

5th 379 *VLADIMIR ENVY OF THEM ALL A (3/5) Z (0/0) **DOB:** 22/06/2009
 S:*Ch Fremont Toohot Tohandle AZ Ex **Br:** G Morton
 D:*Grd Ch Vladimir Anarchy ET HIC AZ Ex.S **Exh:** L&S Woollard

4 years 10 months. 63.0cm. 29.5cm deep (46.8%). Good medium size, medium strong, very well proportioned dog of very good type and very balanced construction. Well pigmented, black and gold saddle markings. Good head and expression, medium eye colour. Carries his neck slightly erect, high withers, firm back, slightly short and slightly steep croup. Good fore and very good underchest development. Correct in front, front paws could be slightly closer knit. Very good forequarter angulation where the upper arm could be slightly better laid, very good hindquarter angulation. Moves slightly close behind where the hocks could be just slightly firmer. Moves correct coming, elbows could be slightly firmer. **On lead** displays very balanced, ground-covering movement, with free reach, strong drive, whilst maintaining a good topline. **On loose lead** still displays effective ground-covering movement, with free reach and strong drive, whilst maintaining a good topline. **Off lead** displays very good ground-covering movement, with still good reach, strong drive and maintains a good topline.

Place: **5th**. Graded: **Excellent 2**.

Behaviour: Character firm, good temperament and sufficiently gunsure. Shows training potential.

Linebreeding: Iwan v Lechtal (4,5,5-4).

Sireline: Fremont Toohot Tohandle / Nujaclyn Latin Dancer / Leishjaclyn Zpartacus / Leishjaclyn Rain Dancer / Iwan v Lechtal / Immo v Batu / Mark v Haus Beck / Fedor v Arminius / Lasso v Wiedenbrucker Land / Zorro v Haus Beck / Frei v Holkamper See / Canto v d Wienerau.

Sireline HD/ED: Freemont Toohot Tohandle is very good for hips, however is not a strong producer for the desired Elbows. His results in both are HD (0 to 10 scores are 95%), and ED (Normal scores are 58%). Extreme care is advised with elbows.

Progeny: At this SBE, he presented a Group of 4 Females from 4 Dams that was very typey and reflective of this sire's family, from classes Baby Puppy Bitch to Open Bitch. Overall, a small and very representative group to the type of the sire, but comprising only of females.

On this occasion, Vladimir Envy of Them All did present some potential with a Sires Progeny Group consisting of only females, but his presentation and performance was not sufficiently reassuring to warrant being included in the Excellent Merit group, on the day. Overall anatomically, "Envo" is a quite well constructed dog that shows balanced and effective movement. I look forward to seeing some male progeny from him over the next year to see what he produces, as a well-bred dog that potentially will deliver a useful son.

6th 381 *LASHADAS XANG BANG CD A (2/2) Z (1/1 Gr 1) **DOB:** 30/01/2011
 S:*LaShadas Diesel AZ Ex **Br:** R&S Hosking
 D:*LaShadas Xtreme Pink AZ Ex.M **Exh:** W&G Martin

3.1/4 years. 64.0cm. 29.5cm deep (46.1%). Above medium size, good medium strong, very well proportioned dog of very good type and very balanced construction. Black and tan saddle markings. Good expressive head complemented by dark masking and dark eyes. Normal length of neck high well placed withers, straight and firm back, good croup. Normal fore and good underchest development. Absolutely correct in front, front paws could be tighter knit. Good forequarter angulation where the upper arm could be just slightly longer and better laid, very good hindquarter angulation. Moves correct going, patterns could be just slightly firmer, correct coming, elbows could be just slightly firmer. **On lead** displays very balanced, ground-covering movement, where he fully utilises his available reach, with strong drive, whilst maintaining a good topline. **On loose lead** still displays very good ground-covering movement, with good reach and strong drive. **Off lead** still displays the same movement as on loose lead, with effective reach, good drive and still maintains a good topline.

Place: **6th**. Graded: **Excellent 3**.

Behaviour: Character firm, good temperament and gunsure. Suited to training as a working dog.

Linebreeding: Iwan v Lechtal (4-4), Quartz v Templari (5-5) and Quincito Awol (5-5). Via the sireline, he has a connection to Lindendale Thunderbolt, and via his dam he connects to Hobby Gletschertopf.

Sireline: Lashadas Xang Bang / Lashadas Diesel / Igor v Pallas Athene / Drago v Pallas Athene / Romeo v Pallas Athene / Quartz v Templari / Amigo v Belgier / Frei v Herschel / Tell v_Grossen Sand / Sonny v Badner Land / Canto v Arminius / Canto v d Wienerau.

Sireline HD/ED: His grandsire, Igor v Pallas Athene has results in both, which are HD (0 to 10 scores are 94%) and ED (Normal scores are 89%). This should be viewed as a positive, as his general soundness is also supported by his dam's soundness of bloodlines.

Progeny: No definitive statement can be made, until some offspring can be assessed.

On this occasion, Lashadas Xang Bang did not present enough potential or reassurance to be included in the Excellent Merit group, on the day. Overall anatomically, Iceman is a quite well constructed dog with balanced construction and effective movement. I look forward to seeing some progeny from him over the next year to see what he produces. As he is a well-bred, medium size dog that potentially, put to the right compatible bitch, preferably carrying lines to Zamp Thermodos or Quenn Loher Weg, this hopefully will present us with progeny of the desired type and generally of good medium size.

7th 385 *BLUEMAX JIMMY NEUTRON A (3/1) Z (0/0) **DOB:** 16/01/2012
 S:*Ch Jimmy vom Baruther Land SchH3 aZ (imp Deu) Ex.S **Br:** A Brinkworth
 D:*Bluemax Tanzin AZ **Exh:** J&A Crace

2.1/4 years. 63.0cm. 30cm deep (47.6%). Medium size, medium strong, very well proportioned dog of very good type and still balanced construction. Well pigmented, black and tan saddle markings. Good head with very good masking and medium eye colour. Normal length of neck, high withers, straight back, just slightly short and slightly steep croup. Correct in front. Normal fore and well developed underchest. Good forequarter angulation, where the upper arm could be slightly longer and better laid. Very good hindquarter angulation, where the thigh could be

somewhat stronger. Moves slightly close behind, correct coming, both the hocks and elbows still to achieve final firmness. **On lead** shows balanced, good ground-covering movement, where both the reach and drive could be slightly more effective, while still maintaining his topline. **On loose lead** displays balanced movement, where both the reach and drive could be marginally stronger. **Off lead** still displays balanced movement, where both the reach and drive could be more effective.

Place: **7th**. Graded: **Excellent 4**.

Behaviour: Character firm, good, steady temperament and gunsure. Suited to training as a working dog.

Linebreeding: Esko Danischen Hof (4,4-5). Also carries lines to Jeck Noricum via Zamp Thermodos, Zamb Wienerau via Pakros D'Ulmental and Mark Haus Beck via Iwan Lechtal.

Sireline: Jimmy vom Baruther Land / Naxos Holtkamper See / Zamp v Themodos / Quantum v Arminius / Dux della Valcuvia / Max della Loggia dei Mercanti / Visum v Arminius / Jeck v Noricum / Odin v Tannenmeise / Quando v Arminius / Xaver v Arminius / Lasso di Val Sole / Quanto v d Wienerau.

Sireline HD/ED: Too early for a definitive statement to be made. His sire's (Jimmy) recent stats results in both are, HD (0 to 10 scores are 86%) and ED (Normal scores are 89.5%).

Progeny: This sire is far too young to have an impact with his progeny, but some may need to be present next year to assist consideration for inclusion into the Merit group.

Today, Bluemax Jimmy Neutron did not present enough potential or a significant and reassuring performance to warrant them being included in the Excellent Merit group, on the day. Overall anatomically, he is a medium sized, quite well constructed dog, that has balanced and effective movement. The next year will be interesting, in which to see his further development and maturity. I look forward to seeing some progeny from him over the next year to see what he produces, as he is a well-bred dog that potentially, put to the right compatible bitch, may produce some interesting progeny, with good prospects of being correct in size.

Scr 384 ***BLUEMAX TIGER TOWN A (2/2) Z (0/0)**

S:*Ch Jimmy vom Baruther Land SchH3 aZ (imp Deu) Ex.S
D: Newedge Kaotic

DOB: 28/06/2011

Br: A Brinkworth

Exh: C Mailata & S Woollard

Scratched. Unfortunately, this dog was not presented on the day, in deference to his much older kennel-mate "Envo", which probably was being shown at his likely last SBE. This from my perspective was a disappointing outcome that both dogs were not out there in this class. However as a milestone, Tiger Town did present his first Progeny Group at this event. I think it is important to document some of his credentials for the benefit of WA breeders and potential future owners of his offspring, in the context of here and now.

Linebreeding: Nil, but carries lines to Jeck Noricum via Zamp Thermodos, a line to Zamb Wienerau via Pakros D'Ulmental and useful connections to Ursus Batu, Uran Wildsteiger Land and Lasso di Val Sole.

Sireline: Jimmy vom Baruther Land / Naxos Holtkamper See / Zamp v Themodos / Quantum v Arminius / Dux della Valcuvia / Max della Loggia dei Mercanti / Visum v Arminius / Jeck v Noricum / Odin v Tannenmeise / Quando v Arminius / Xaver v Arminius / Lasso di Val Sole / Quanto v d Wienerau.

Sireline HD/ED: Too early for a definitive statement to be made. His sire's (Jimmy) recent statistics results in both are very good with HD (0 to 10 scores are 86%) and ED (Normal scores are 89.5%).

Progeny: Presented an extremely good, though small, Sires Progeny Class for the first and soonest time possible, at which the sire was present. The composition of the Group was 1 Male and 3 Females from 4 Dams. Overall an extremely young and very promising group for the future, with a male and female representatives. Although the small group were very young, they represent much potential for next year to assist consideration and inclusion into the Merit group, together with Tiger Town's obvious high above virtues in anatomical construction and lovely movement, which was very apparent as he lead his progeny class.

Composition of Group : 5 Males and 6 Females (from 6 of the 8 Dams listed above).

Very sire typical group of Babies to Juniors in age. Generally above medium size, medium strong, well proportioned, of very good type and pronounced sex characteristics. Well pigmented black and tan saddle markings. Good heads and expressions, with good eye colour, masking and some ears are slightly wide-set. Generally very good toplines. Stand correct in front. Overall very good forequarters and hindquarter angulations. Some hindquarters tend to be slightly deep in angulations. Generally move correct going and coming. In movement, overall show good reach and strong drive, where a few could be a little more freer in reach. Overall, a very young and very promising group for the future, with a good balance of males to females.

Composition of Group : 1 Male and 3 Females from 4 Dams (from the exhibits above).

Group of Babies and Minors that are very typey to the sire. Medium size for their age, medium strong, well proportioned puppies of very promising type and overall harmony of construction. Well pigmented tan sable male and bitches have black and tan saddle markings. Good, "Jimmy" type, heads and expressions, with good eye colour and ears. Generally, good lengths of neck, high well placed withers, straight, firm backs and good croups. Stand correct in front. Well-developed forechests and underchests, for their age. Very good fore and hindquarter angulations, without excessive angulation in the rear. Move correct going and coming. In movement, overall show very good reach and strong drive.

Overall an extremely young and very promising group for the future, with male and female representatives.

Composition of Group : 4 Females from 4 Dams (from the exhibits above).

Very typey group to the sire's family. Ages range from under 5 months to 2 years 10 months. Medium to above medium size, medium strong, very good proportions dog of very good and even type. Pigment and black saddle markings should be stronger. Feminine heads and expressions, with medium eye colour. Good toplines. Correct in front. Good to very good forequarters and hindquarters tend to deep angulation and loose hocks. Very good movement, with expansive gait.

Overall, a small and very representative group to the type of the sire, comprising only of females.

DAMS PROGENY GROUP***MALISA VOM FINKENSCHLAG a (imp Deu) Z Ex.M**

		DoB	Class	Sire
382	*GRANDWEST MALISAS GOLD LOGIE	12/04/2011	OD	*Ch Kardin Kruger AZ Ex.S

Composition of Group : 1 Male and 3 Females from 2 Sires (father and son, from the exhibits above).

Dams Group –*Malisa vom Finkenschlag (imp Bel) Sch H 1 a normal ED normal

The group is from 2 sires, Kardin Kruger and his father Kwint Juerikstall for 4 animals, two males and two females presented. Leading the group, was the Reserve Sieger, Grandwest Malisas Gold Logie. Congratulations on presenting this group of the former SBE Siegerin.

Group Virtues

- Uniform type
- Good definition of the sexes
- Correct in front
- Very good, free flowing movement
- Very good hindquarter angulation
- Good length of upper arm
- Very good firmness of ligamentation

Group Faults

- Mixed forequarter angulation
- Mixed eye colour
- Medium strong

BREEDERS GROUP**ICCARA KENNELS**

6 animals presented, 3 sires and 6 dams. The group consisted of 2 sables and 4 black and tan animals. Ideally only 1 coat colour should be presented in a breeders group, as the object of the judging is to have a totally uniform group, i.e. the same virtues and faults.

Today, this was the only Breeders Group presented, so the mixing of coat colours has not impacted. With that said, it is a high quality group with very good uniformity of type, clear definition of the sexes, heads are very good, ears are very good. The forequarter angulation is overall very good, the hindquarters are slightly deep. Eye colour is medium to dark.

This group included 2 class winners over the weekend.

Congratulations to Team Iccara on a very high quality group.

5.1/2 months. Strong, substantial, masculine baby puppy dog of very good type. Masculine head and expression with good eye colour. Good withers, firm back, croup could be slightly longer and better laid. Very good fore and slightly deep hindquarter angulations. Stands correct in front. Pronounced fore and underchest development. Presented in slightly heavy condition. Steps slightly cow-hocked going, correct coming. Very good ground-covering movement, should be a little firmer in ligamentation.

392 ICCARA RED MAN – Judge: Mr Bruce Knight DOB: 6/07/2013
 S:*Seigen Jack Sparrow Br: L&S Woollard
 D:*Iccara Vichy Exh: E Grant

9.1/2 months. 65cm. Large, strong, substantial, well proportioned, black and gold long stock coat male. Good head and expression, medium eye colour. Good strength of upper and lower jaw, very good planes of skull and foreface. Good length of neck, high withers, straight back, well laid croup could be slightly longer. Very good angulations of both the fore and hindquarter. Stands almost correct in front. Steps correct going and coming. Shows very good ground-covering movement where the back should remain firmer.

393 HAUSOSIN ROLL THE DICE – Judge: Mr John Fenner DOB: 12/04/2012
 S:*Ch Zamb von der Sandsteinkuste SchH3 a Z (imp Deu) Ex Br: K Harris
 D:*Hausosin Aintnosin AZ Ex.M Exh: K Acunas/G Marsala

2 years. 65.0cm. Large, strong, very well proportioned dog of very good type. Well pigmented, black and tan saddle markings. Very good head that is very expressive and has medium eye colour. Normal length of neck, high withers, firm and dry back, slightly short and slightly steep croup. Normal fore and underchest development. Correct in front. Good fore and hindquarter angulations. Correct going and coming. Shows good ground-covering movement with balanced reach and drive whilst flagging his tail during gaiting. Character natural, firm and confident.

395 MADRODISH LITTLE CREATURE – Judge: Ms Natalie Humphries DOB: 22/06/2013
 S:*Ch LaShadas Xhibitionist AZ Ex.M Br: R&T Humphries
 D:Davor Wicked Ways Exh: M Mason

66.5cm. 10 months. Correct dentition. Entire male. Very large, medium strong, substantial, long stock coat male of very good type and proportions. Very good head and expression with dark eye colour and correct ear set. Normal withers, straight back, croup is of good lay just slightly short. Good forequarter angulation, the upper arm could be slightly longer and slightly better angled, very good hindquarter angulation. Good underline. Presented in slightly heavy condition. Stands not quite correct in front, stands with the right wrist turned out. Steps loose going, turns the right wrist out coming. Shows effective movement, both the reach and drive should be more powerful and the ligaments over the back are very loose.

396 AIMSWAY INKY (Loka) – Judge: Mrs Robyn Knuckey DOB: 6/03/2013
 S:*Zamb vom Schwarzaugen SchH3 (imp Deu) Br: J&L Martens
 D:Aimsway Phanta Exh: K Nivbrant

13.1/2 months. 62cm. Oversize, medium strong, substantial, very well pigmented and proportioned bitch of very good type. Correct dentition. Very good head and expression, very good masking. Good withers, firm back, well moulded croup. Balanced fore and hindquarter angulations. Good fore and underchest development. Steps correct going and coming where the elbows should remain firmer. Very good ground-covering movement.

397 JASPER – Judge: Mrs Honey Gross-Richardson DOB: 7/11/2013
 S: Br:
 D: Exh: S Kirkbridge

5 months. Close scissor bite. Entire male. Good medium size, strong, well coated baby puppy dog of very good proportions and very good White Swiss Shepherd Dog type. Very good masculine head and expression, good medium brown eye colour and good pigmentation, light reddish shading on ears. Stands with good wither, firm straight back and very good angulations of both the fore and hindquarter. Stands still correct in front. Steps correct going and coming. Exhibits good balanced movement, slightly dropping his witherline. Exhibiting a correct sequence of steps with good reach and drive.

403 MAERCECI LARIS BAMBINO – Judge: Mr Bruce Knight

S:*Odin delle Terre Matildiche (imp Italy)Ex
D:*Maerceci Hot Secret

DOB: 6/8/20113
Br: C Baker
Exh: J McKibbin

8.1/2 months. 64cm. Well above medium size, medium strong, black and gold dog of very good type. Very good head and expression, very good eye colour, very good ear set. Good length of neck, high withers, slight dip behind, firm straight back, very good length and lay of croup. Good forequarter angulation, the upper arm could be slightly better laid, correct hindquarter angulation. Very good fore and underchest development. Stands correct in front. Steps correct going and coming. Very good ground-covering movement where the reach could be freer and the drive more effective.

- SEIGEN HERES MY NUMBER – Judge: Ms Natalie Humphries

DOB: 17/02/2012
Br: G&K Gregory
Exh: Kerrie Pearce

2 years 2 months. 65cm. An oversize, medium strong, well proportioned and typey long stock coat bitch with very good head and feminine expression, good medium eye and correct long, soft top coat with woolly undercoat. Stands with high wither, firm straight back and good croup that could be a tick longer. Good forequarter angulation where the upper arm should be longer and better angled, very good hindquarter angulation. Stands correct in front with good fore and very good underchest development. Pasterns should be tighter. Steps correct going with slightly loose hocks, coming with a slight deflection of the left foot and elbows still to firm. Exhibits good ground coverage with balanced reach and drive.

- GLENBALA MAKE AN IMPACT CCD TD – Judge: Mrs H Gross-Richardson

S: *Mika vom Overledingerland (Imp Gmy)
D: *Ch Glenbala Flash Impact AZ

DOB: 5/03/2010
Br: G&K Gregory
Exh: Kerrie Pearce

4 years. 66cm. Double P1 upper right. An oversized, medium strong, well coated, coloured and pigmented, typey long stock coat bitch. Very feminine head and expression with pleasing mask and the desired dark eyes. Stands with good wither, straight back, good croup that is just slightly steep and that should be a little longer. Good forequarter angulation, the upper arm should be a little longer and better angled, very good hindquarter angulation. Good fore and underchest development. Stands still correct in front. Steps correct going and coming with hocks and elbows just slightly loose. Favouring the left hind leg today, she still shows good movement overall where the reach and drive could be a little more effective.
