CLASS ONE: Judged by: Mr. John Glenny

Number entered: 1 Number Passed: 1 Pass Rate: G 100%

Late Entry / Not for Competition : 1 entry, 1 Pass, G 100%

The dog needs a pass in every points exercise and at least 85/100 to qualify,.

We hope to see the dog working with drive and attention, showing a great Attitude and considerable Accuracy – yes, a Triple A Dog is desired!

Heel on Lead 30: The lead needs to be loose, showing a small loop, with the dog maintaining the heel position with attention, responding happily to all commands, whizzing around the left and right about turns, holding the correct heel position for the sits, stands and downs, and presenting a picture of smooth team work on the change of pace. The left and right turns need to be sharp right angle turns. Ideally the dog is watching the handler!

Stand for Examination 20: On judges question: "Are you ready"? Our handler should quickly check his dog's positioning, and as he replies YES, the dog is alert and ready to earn praise! He will stand straight and steadily under examination, enjoying the attention, but standing firm until he is freed on Judges' order: Exercise Finished.

Recall: 20 This will be from 10 to 12 metres distance for a fast Recall & smart Present.

The dog must sit steadily whilst the handler returns around the back into heel position.

Food Manners: are graded. Our dogs see food refusal as part as the **NRM**, so it's a cinch!

Down From Free is graded: We are looking for a good signal and command, fast response!

Dumbbell Play is graded: By now our dogs are generally retrieve fanatics and love the chase!

Sit Stay 15 at 6-8 metres for 30 seconds and **Down Stay** at 6 – 8 metres for 60 seconds.
