The German Shepherd Dog Association of W.A. Inc. (G.S.D.A. of W.A. Inc.) is the official custodian of the breed in W.A. and is dedicated to the improvement, promotion and protection of the German Shepherd Dog. The association encourages fellowship and strives to assist in the education of its members and the public to give a better understanding of the breed, responsible breeding practices and responsible dog ownership. This offer is valid only for the puppy/dog and owner listed on this certificate and is not transferrable. If you decide to join the G.S.D.A. of W.A. (Inc.), membership will provide ongoing low cost training and other benefits. Our grounds stock a range of quality training equipment, dog food and other merchandise suitable for German Shepherd Dogs at very reasonable prices. Please visit our website www.gsdawa.org for further information on the breed and membership as well as our current position holders and contact details.

Canine distemper, hepatitis, parvovirus and kennel cough are viral diseases that do not affect humans, but are dangerous to dogs. Vaccination is required to prevent dogs from catching these diseases. All dogs that attend G.S.D.A. of W.A. training grounds must be vaccinated. On your initial visit to our ground, please bring your puppy's current vaccination card with you and your dog.
