

GSDA of WA Members Competition

10 March 2019

Judge: Salvatore Pittelli (SA)

Judge's Summary Report

The show was well organised and run quite well. The hospitality of the weekend was good, and all exhibitors and spectators were friendly, and the general atmosphere of the show was quite good.

There were 78 entries in the show with 68 exhibited on the day. There was 16 long stock coat presented in the show, is good to see the LSC where very of good number. The overall size of the animals was within our standard, some issue with some of the animal the way the carry the tail.

The stock coat classes where of very good quality with very good proportion, size and pigmentation. Some nice young puppy with a promising future. I did ungraded the junior dog due to not standing to be measured.

My best dog came from intermediate class, an impressive male with. of very good strength and proportions. A dog for me with a big future.

The best bitch came from the open class female, also of excellent quality.

I would like to thank my assistants in the ring, John Fenner.

In conclusion, I wish all owners and breeders the very best with their animals
