

JUDGE – Ms Sharon Ballantyne-Gordon (Queensland)

Judge's Summary Report

Entry Statistics : German Shepherd Dogs - Total 47 (Stock Coats 38 Long Stock Coats 9).

Firstly thank you to Dogs West and the WA GSD Club for the invitation to judge at this event. The entrants for exhibiting their dogs, and good sportsmanship in the ring. This was my first appointment in the West, I enjoyed judging the dogs.

Thanks to my ring steward John Fenner and the Stenographer Leanne Irvine for their assistance. Also thanks to Robyn and Kevin Knuckey for their hospitality the day after the show. It was a quick trip this time.

Unfortunately the lights on the grounds were not working at full capacity, so this made it a little difficult at times to see the dogs at their best. At the end of the night the wind picked up and it was a little cold. The dogs and their owners did well to see the night out under the circumstances. All dogs were confident and self-assured.

The Show was run under all breed conditions, with the Stock Coats being judged first followed by the Long Stock Coats. The judging did not commence until 6.30pm. There was one male who was entered in the Australian Breed Class unfortunately the dog was unable to receive his written critique or grading, although he was Breed Surveyed.

Like all states now we are really noticing the drop in entries, this decline is disappointing however we must remain positive and keep open minded about the future of the breed and enjoying the sport with each other.

The main sire influences at the show were Conbhairean Freddie and Schaeferhund Rafael. My Best Stock Coat Female Seigen Berry Luscious and Stock Coat Male Freinhaus Jupiter in my opinion are high quality dogs. The Long Stock Male Iccara Nailed it was also particularly pleasing he is a very correct dog with rich colour and pigment he is a well breed dog and could be a very useful dog for the future.

Some slight areas of concern was with some of the youngsters they were quite deep in the hindquarter, and long in pasterns, this was more noticeable in the females than the males.

Thank you to all who made me feel very much at home and welcomed me to your state. Hopefully next trip we will more time to catch up.

Take care of each other and your beautiful GSD's.

Sharon Ballantyne Gordon

Medium size, medium strong slightly stretched very well coloured and pigmented, firm and dry male of overall pleasing type. Good strength of head, with good breadth of skull. Very good ear set. Correct eye colour, slightly erect neck, high wither, firm straight back. Good lay of croup just slightly short. Good fore and very good hindquarter angulation. Very good length of foreleg. Very good fore and underchest. Stands correct in front. Moves correct coming and going with good firmness of hocks, and elbows. During movement he displays very good ground covering gait with very good overall firmness and is presented in very good show condition.

Very large, medium strong, correctly proportioned well coloured male of overall very good type. Very good strength of head, with dark masking. Correct ear set, good strength of neck, normal wither, slight nick behind. Firm straight back. Croup could still be longer. Pronounced fore and very good underchest. Maximum hindquarter. Moves slightly narrow going, correct coming. Both the hocks and elbows could be firmer. Shows very good ground covering movement, with very good wither connection and the overall firmness over the back is also convincing.
