

Health Talk:

**At our Headquarters Passmore Street Southern River on
December 13th 2020 at 10.00a.m.**

We have been fortunate to secure a return visit of Dr Meng Siak **BVMS
MANZCVS (Canine Medicine) FANZCVS (Veterinary Dermatology)**.

Meng is a Registered Specialist in Veterinary Dermatology. The dermatology department of W.A.V.E.S. deals with a wide range of skin related problems including itchy skin, immune and mediated disorders of the skin and food allergies.

Meng will be giving a talk highlighting P.A.F. (Anal Furunculosis) and other skin diseases affecting the German Shepherd Dog

This condition is of interest to many of our members.

The talk followed by Question and Answer period will last about an hour.

We will review the common causes in the dog and focus on the management of skin problems in dogs. We will cover these topics and answer any questions you have.

The meeting is free to our members and open to non-members for a gold coin donation

We will have light refreshments available for a small donation to cover the cost.
