

We are thrilled to introduce Dr Katrin Swindells to new members.  
Katrin has kindly offered to visit us again to give us a talk on:  
**First Aid for Dogs and  
the importance and requirements of being a Canine Blood Donor.**

The Talk is scheduled for Sunday 10<sup>th</sup> October 10am after training.  
Please come along and join us  
For further information please contact our Breed Affairs chair  
Natalie Humphries on 0400 648 268

Light refreshments will be available for a small cost

Non-members are welcome to attend for a gold coin donation

Headquarters is situated at 23 Passmore Street Southern River.

**Dr Katrin Swindells**

***Diplomate, Veterinary Emergency and Critical Care BVSc, MANZCVSC, DACVECC***

- Katrin graduated from Sydney University in 1994, and initially worked in small animal general practice for a few years.
- In 1997 she started working in an emergency service in Sydney and rapidly realised that this field was her vocation.
- Memberships in Emergency Medicine and Critical Care.
- She then went on to do a residency at Murdoch University and in 2006 became a Diplomate of the American College of Veterinary Emergency and Critical Care.
- From 2007 to 2011 she was Senior Lecturer in Veterinary Emergency and Critical Care at Murdoch University and then worked in private emergency and critical care services in Perth and Brisbane.
- Katrin has been working at WAVES since opening in June 2013.
- Additionally, Katrin has been an invited lecturer in her field at numerous conferences and has been an examiner in Veterinary Emergency Medicine and Critical Care at both Membership and Fellowship level for the Australian and New Zealand College of Veterinary Scientists.
- Katrin's interests include all aspects of critical care, trauma, transfusion therapy, toxicology, envenomations and teaching.
