

JUDGE – Mr Stephen Collins (SA)

Judge's Summary Report

Entry Statistics: German Shepherd Dogs

Totals : Total entries:72; Stock Coats 56, 40 exhibited and Long Stock Coats 16, 12 exhibited.

The show commenced at approximately 8:30 am and concluded at approximately 3:30 pm.

I would like to thank the GSDA of WA for the opportunity to judge the West Coast Challenge. Many thanks to my steward, stenographer and the many Club members who contribute to the successful running of the event. To the exhibitors who entered their animals it was a privilege and an honour to judge your animals on the day. The overall quality of the animals presented was very good, generally in most cases the firmness of hocks and elbows was good, several animals measured on the upper limit of permissible size and this must be considered when selecting breeding partners. The highlights of the show were the Baby Puppy bitch Stock coat class, a numerically large class of very well constructed animals that hopefully will develop further for the future, the Open Bitch Stock Coat a class of very high quality and I commend the breeders and exhibitors. The Baby Puppy dog stock coat class was very pleasing with two (2) very high-quality youngsters.
