

JUDGE – Mr Kurt Morton (NSW)

Judge's Summary Report

Entry Statistics: German Shepherd Dogs - Total 61 entered (41 Stock Coats, 32 exhibited, 20 Long Stock Coats, 17 exhibited). The show commenced at 9:05 am and finished at approximately 3:05 pm.

Thank you to the WA committee for the invitation to adjudicate at the show. We were afforded superb weather to show in and as always, the grounds were in great condition. Special thanks to Ian & Kerry (steward extraordinaire) Heard, John Fenner (Chief Steward) & Leanne Irvine (steno) and Andy Crace (Entrance Steward) and Tracy Roberts (Show Secretary) for their help and support and organisation.

The total entries of the show were 61 with 49 exhibited on the day. All animals eligible for Excellent were graded so and in the entire show only one animal was downgraded. All other animals received the highest grading possible. All animals presented in open were gun sure and overall, the animals has great temperaments. Animals exhibited generally had praiseworthy dark, almond eyes with excellent expression and very good firmness of hocks and elbows and were all within size. Some older animals had pronounced hindquarter angulation but this was not seen in the younger classes. I would encourage breeders to be mindful of the length and angle of necks and wither connections and aim to maintain and improve the length and angle of upper arms. Though, this is an issue seen across Australia. Overall, the WA breeders and exhibitors should be very proud. Of particular note, Wulkano-uno v Schnitzerteam sired 10 class winners in the show and in a number of instances had the top few places in classes and showed a consistency throughout.

Highlights

My best LSC dog was a young junior male, who impressed with his substance and type. A very well put together masculine male who was presented in excellent condition and coat and performed very well. Reserve was Open who is a well-proportioned male with a beautiful length of neck and very good ground covering movement. Again, presented in very good condition and coat.

Long stock females were particularly impressive overall. The challenge line up was a joy to judge with the minor, puppy and open class winners all highly in contention. Ultimately, my best bitch LSC was from the Open. A 2.5 year old richly coloured black and gold female in superb condition and coat with balanced movement, presenting a great outline. Reserve was also from open. A lovely female, presented not quite in the best coat condition but nevertheless a quality female.

Stock Coat males although generally classes were small in number were of very good quality. My best male, from the intermediate class was a lovely, above mediums size, richly coloured dog of excellent proportions with superb length of foreleg. A quality rarely seen today. A very dry and firm dog that impressed throughout the class. My reserve was the Open dog.

Stock coat females showed a great depth of quality throughout all classes. My challenge line up was very strong with the junior, intermediate and opens in contention. Ultimately, best bitch went to the open, a quality female with excellent proportions and lovely overline that is maintained throughout the class. My reserve was from junior. A very large, strong, substantial female of excellent type and proportions and a slightly better wither connection over the 2nd in Open and Intermediates which clinched her the reserve.

Thanks again, it was an absolute pleasure, Kurt.
