

**JUDGE – Mrs Carol O'Rourke (QLD)****Judge's Summary Report**

Entry Statistics: German Shepherd Dogs - Total 64 entered (42 Stock Coats, 31 exhibited, 22 Long Stock Coats, 17 exhibited).

The show commenced at 9:00 am and finished at approximately 4:15 pm.

I would like to express my pleasure and excitement to be finally coming home to adjudicate in WA at the Walter Martin Memorial Show after all of these years. It was very nostalgic as many years were spent here centred around being part of a very exciting era and goals towards the common cause working towards lifting the sterilisation ban in Australia.

It was very pleasing to see some young faces amongst the handlers with beautiful big smiles, exhibiting with enthusiasm and sportsmanship. We must look after them and guide and encourage them as they are our future.

The new President, Ian Heard, made me very welcome, he is a keeper and we must look after him also.

A huge thank you to the show committee under the auspice of the Chairman Tracy Roberts and her dedicated support team. As past President of the Show Committee, I am especially aware of the many sacrifices that are made to the detriment of presenting your own dogs. Congratulations to you all for creating a well organised, but very friendly atmosphere.

To my wonderful stenographer, Leanne, who was amazing and who made light of my critiques with her professionalism.

My sincere thanks also, to my ring steward Kirsty Post, who kept the flow and saved much time, which was very much appreciated.

I had an entry of 64, of which 48 were exhibited. The conditions of the grounds were excellent and perfect weather for exhibiting and judging.

The condition of dogs was excellent, however, in some cases handling could have been better due to some inexperience. The Open classes were all gunsure.

Concern was the size factor and should be assessed for improvement within the breeding programme.

The overall proportions and balance were very good. Some dogs, I felt, could be stronger in bone. Forequarters should be longer and better angled. Care should be noted with the deep hindquarter and very loose hocks. Noted, was very good heads, dark eyes, very good ear placement, some erect neck carriages. Some outstanding youngsters, with much promise, with correction of the forequarter.

There is a register of stud dogs which would prove an invaluable tool for the breeds development, hence a working committee has been formed for this purpose.

Finally, thank you for your wonderful sportsmanship. Happy Showing.

Carol O'Rourke.

Judge / Breed Surveyor.
