

JUDGE – Mr David Middleton (UK)

Judge's Summary Report

Entry Statistics: German Shepherd Dogs - Total 75 entered (52 Stock Coats, 43 exhibited, 23 Long Stock Coats, 23 exhibited). The show judging commenced at 9:10 am and finished at approximately 3:20 pm. The presentation of awards finished at approximately 4:15 pm.

I would like to thank the committee and members of GSDAWA for the invitation to Judge their West Coast Challenge Championship Show. It was a great honour for me and my first visit to your beautiful country. We were extremely well looked after and everybody went out of their way to see that we thoroughly enjoyed the experience.

The standard and quality of the entry was very good and the enthusiasm of exhibitors was amazing. Slightly different class classification than Europe see the introduction of a Baby Class. The Long Coat Baby Male Bronboreo Evolution and the Female Bronboreo Unolution were litter mates. Both super quality and full of confidence, striding out in movement and surprisingly firm for their age. I am quite sure they will both have a very bright future.

The Short Coat Baby Male Bronboreo Lieutenant another beautiful quality pup from this Kennel. Very typical and full of promise with a confident and sure performance. Short Coat Baby Female Volscaro Olivia won a strong class with her effortless powerful movement. Just 3 months and sure to be a stunner for the future.

Points to note my CC winner Uno seems to be leaving a positive influence on the breed in Australia. Progeny appear very sire typical and of generally good proportions. This was evident in both Perth and Melbourne. Long Coat entry was of a particularly high quality and the Open Female Winner Eroica Olietta was quite exceptional. The best class of the day was Junior Short Coat Female Class. Quality throughout from first to last
