

Judges Summary Report – Ms Nicky McDermott (Vic.)

Many thanks to the club for the invitation, it was my first visit and I was very impressed with your grounds and the presentation. The weather was perfect and the hospitality shown to myself and Patrick was very much appreciated. Unfortunately, the Sieger Show and an All Breeds show affected the entries. I was very pleased with the high quality of animals presented to me. It was a little disappointing that the younger puppy classes were not well represented, perhaps this is a sign of the times with many breeders not breeding as much as they did and not many new exhibitors participating in our sport. Overall, the character, colour, heads, size and presentation were very good. Steep croups, pronounced hindquarter angulation and short underchests still seem to be an issue across the country. A number of front pasterns were either steep or weak and I noted a number of animals with flat feet. My best SC dog was a very good, correct and balanced male. I believe is the sire of my baby SC winner who shows lots of promise with her lovely type and very good sequence of steps for such a young baby. Both intermediate bitch class winners were another highlight, neither were exaggerated and showed much balance and harmony during the class. Thank you to my assembly steward Andy Crace, my ring steward Robyn and my Stenos Leanne and Robyn who were of great assistance. A big thank you to the exhibitors for their entry and the sportsmanship shown during the classes and their acceptance of my decisions. I am thrilled with the judging gift, it will be most useful for future judging appointments and is a wonderful memento, thank you.
