

Judges Summary:

Show Summary: Weather was warm and clear; the Members Competition was commenced at 10:30am after the completion of the Open Show with a Group 5 trainee judge. There was an entry of 41 animals. There were some complications with the show, the usual stenographer was delayed in Singapore, due to engine problems with the plane. Support with writing critiques was provided by 3 members of the GSDAWA Show Committee. Thank you to all of the club members that assisted on the day.

The show had a very pleasant atmosphere with very good sportsmanship shown by all on the day. There were some very good quality animals presented, considering the lower number of animals exhibited. Good luck to all the members and exhibitors for the Walter Martin and West Coast Challenge weekend at the end of October.
