

Judges Summary: The show was held at the GSDAWA excellent grounds in good weather. Thank you to my excellent steward and stenographer. The dogs exhibited were of very good quality with some being of very high quality that would compete very successfully at a national level. In general colour and pigmentation was very good with good toplines and very good hindquarter angulation. In some cases eyes could be darker, and overall forequarter angulation could be longer and better angled. The most significant sire was the National Gold Medal winner Wulkano-Uno Von Schnitzerteam (Imp Hun).
