

## **Judges Summary: Jane Pike (S.A)**

### **Rick Richardson Memorial Championship Show**

**23 August 2025**

Thank you to the German Shepherd Dog Association of WA for the appointment to judge the prestigious Rick Richardson Memorial Championship Show.

The show commenced at 9 am in very good weather conditions. There were a few spots of rain late during the judging which did not affect the show. There was a total of 53 entered and 43 exhibited.

The overall type presented at the show was pleasing. The temperament of the animals was very good however, one animal was excused from the ring during the individual assessment. I critiqued three animals with Roman nose's, a number with weak underjaws and loose lips. Hock joints in the main were firm. The shortness of under chest was not quite as prevalent. It was a pleasure to be presented with animals that were very well behaved.

My Best in Show was the stock coat bitch, \*GRANDWEST DARRYLS HALO AZ who was presented in excellent condition, with very good body proportions, balanced movement and very well handled. She is a Wulkano-Uno Von Schnitzerteam (Imp Hun) a ED daughter.

The Best of Variety long stock coat and Runner Up Best in Show was a well coloured black male, a Lettland Flint son, \*ONREK DUNITRITE AZ. This dog was groomed immaculately and certainly pushed hard to nearly beat the stock coat female for Best in Show.

Thanks to the Club again for the appointment. To my stenographer, Leanne Irvine and my stewards Justine & Scott thank you – you made the show run seamlessly. Thanks also to the catering crew who provided a very yummy lunch and to the Chief Steward John Fenner. Without these people who give their time to the club we would not have our hobby.

Lastly, thank you to all exhibitors who entered under me, for their sportsmanlike acceptance of my decisions and conduct in the ring. I have always enjoyed judging in the west and this time was no exception.

**Jane Pike**

66.0 / 30.5. 18 months. Very large, well coated, well pigmented red & black, Long Stock Coat male with good expression. Good head where the skull is just slightly domed. Good length of muzzle, just slightly roman nose, dark masking and dark eyes. Good length of neck into high withers, firm topline, good length and lay of croup. Upper arm could be longer and better angled, very good hindquarter angulation. His fore chest could be better developed. Stands correct in front. Moves correct going, correct coming. In movement, shows good ground covering gait where the topline remains firm, and is balanced. The dog was exhibited in somewhat light condition. Would like to see him carrying a little more weight.  
**VERY GOOD**
