

2026 WA State Breed Exhibition (Judge: Mr K Morton)

The 2026 GSD Club of WA State Breed Exhibition was held at the Club grounds in Southern River. The venue was presented in excellent condition (thanks Norm) and, combined with ideal weather, provided optimal conditions for assessment. I extend my sincere thanks to the organising team responsible for the show, trial and breed survey, in particular Leanne (Steno), Halina (Ring Steward), Scott (Assembly Steward), Lee-Anne (Show Secretary), and Robyn and Kevin for their hospitality. The successful conduct of an event of this scale is always a collective effort, and I thank all helpers and the Committee for the invitation. A total of 54 exhibits were entered, with 50 presented for judging.

I approached this State Breed Exhibition as a structured evaluation of the German Shepherd Dog population currently represented in Western Australia. My aim was not only to assess individual exhibits, but also to consider broader patterns: the overall quality of the dogs presented, the direction of breeding over time, and the consistency and predictability of the bloodlines in use. Accordingly, my class assessments prioritised breed type, overall quality, harmony and balance. To inform this assessment and place individual exhibits within a broader context, I drew upon multiple sources of evidence. This included recent and current input from WA-based GSDCA Breed Surveyors, analysis of the GSDCA database, and reference to historical show, local and National trial, show and survey outcomes. This data-informed approach allowed me to evaluate exhibits not only phenotypically, but also in relation to their genetic background and demonstrated breeding outcomes.

In the Open Classes, exhibits were assessed holistically. Judging considered pedigree and bloodline, performance on lead and off lead, gun sureness, and demonstrated progeny and breeding potential. Final gradings therefore reflect the totality of each animal, rather than a single moment or attribute. Some may perceive this approach as conservative in the allocation of higher gradings; however, in my view, the award of Excellent Merit must be reserved for those exhibits that genuinely represent the highest standard nationally combining conformation, performance, health, pedigree integrity and a proven or clearly demonstrable capacity to produce and improve the breed.

Entry numbers were somewhat lower than in some previous years, which may reflect my existing professional connections with breeders in WA. Nevertheless, quality was evident throughout the exhibits presented., in particular the Open LSC females. Across classes, several consistent trends emerged. Overall, dogs displayed very good, clean toplines and height-to-length proportions, with generally stable, well-natured character and temperament. Exhibits were presented in sound condition and performed throughout the day. That said, certain areas for improvement were evident. In a higher-than-ideal proportion of exhibits, greater correctness was desired in head structure, specifically strength and shape of the muzzle, foreface and back skull, skull planes and eye shape. In the younger classes in particular, firmness of hocks, elbows and pasterns, alongside instances of pronounced angulation and ears tipping back were common. Encouragingly, the majority of Open Class exhibits demonstrated good hock firmness and balanced angulation, and in most cases their pedigrees do not indicate a trend toward excessive angulation.

Overall, Western Australia continues to show a strong and positive influence from Wulkano-Uno v Schnitzerteam (GSDCA Gold and Silver Medallist; Excellent Merit WA, NSW, Victoria and QLD), a dog that is a cornerstone of the breed in Australia. It was particularly pleasing to observe numerous high-quality progeny and grand-progeny presented, reflecting both quality and predictability of type. WA has also clearly benefited from the strategic importation of females, notably Boney-M v Bad-Wolde, whose influence is now well established locally. Such

decisions demonstrate foresight and a commitment to long-term genetic improvement through diversification of European bloodlines.

To further support these observations, I have collated hip and elbow data for commonly appearing animals, specifically those appearing multiple times within the recent pedigrees of Open Class exhibits which is summarised below. This data provides an additional objective layer through which trends in health, soundness and breeding outcomes can be considered.

Table: Average hip and elbow scores and notes (alphabetical) for common ancestors/exhibits with progeny 16/4/26*

*Ch Chevyvale Colt AZ

Sire: *Wulkano-Uno con Schnitzerteam (imp HUN) ED/HD Normal – Multi Exc Merit

Dam: Chevyvale Irresistibly Devine A(4-2) Z(0-0) unsurveyed

Sire present. 7 progeny presented, 1 male and 6 females (1 LSC), from 5 different dams. This is the second time the sire has presented a progeny group (2025 state breed was the first). He has not presented a progeny group at a GSDCA national. Overall, progeny are very typical of the sire, and stand in the same type of his breeding, particularly his maternal lines. They are typically above medium size to large, with very good to slightly elongated body proportions, and are medium strong. They generally have very good colour and pigmentation. The heads in all cases should have more strength of the foreface, underjaw and back skull. In some instances, the eye is a little round and are generally of medium colour, and the ears are a little large and are tipped back, as are the sire's. They are well angled, with good to very good forequarters and very good to pronounced hindquarter angulation. A typical characteristic is a very clean outline and clean bones. Progeny show very good to slightly pronounced backlines. Very good underlines. Steps slightly narrow going and generally correct coming where elbows could be firmer. Movement is balanced, with very good sequence of steps, maintaining a good outline with good to very good reach and drive. A commendable achievement to present an overall pleasing group of very good quality, congratulations to the breeder/owner in presenting a group of such quality.

64.0 cm / 29.0 cm. Just above medium size, medium strong, substantial, Black & Gold male of very good type and proportions. Strong, expressive masculine head with good masking where ideally the eye could be darker, the ears are just a little large and narrow set and tipped back slightly. Good reach of neck, normal wither, very good topline, well laid short croup. Good forequarter, the upper arm should be longer and better angled. Very good hindquarter where the upper thigh is a little longer than the lower thigh. Good fore and slightly short underchest development. Correct going, hocks to firm, a little narrow coming, elbows to firm. In movement, shows very good sequence of steps with very good reach and drive maintaining a firm outline. Presented in very good condition.

SABARANBURG ZARINA

6100143826

15 Oct 2023 Bred By: Mr B & Mrs L Lubbock

CH. KASTER VAN CONTRA (IMP DEU) x CH. SABARANBURG REIKKI

61.0 cm / 28.0 cm. Very large, medium strong, substantial, well pigmented Long Stock Coat female of very good type and proportions. Feminine head with dark eye and masking, the ears are set wide and are a little large, has a slight roman nose and the underjaw should be stronger. Good reach of neck, normal wither, the topline is sloping, the croup is slightly short and slightly steep. Good forequarter angulation the upper arm should be much better angled. Pronounced hindquarter angulation. Very good fore and slightly short underchest. She could stand more correct in front. Moves slightly wide going, narrow coming where the elbows should be firmer. In movement shows a very good sequence of steps maintaining a firm outline, there are restrictions in the reach and hindquarter drive. Both front and rear pasterns

should be firmer. Presented in very good coat and condition. Off lead presents the same picture with a firm overline. Gunsure.

EXCELLENT

Name	Sabaranburg Zarina	Age at show	2.5
A & Z score	A (7-5) Z (0-0)	Breed Survey	23/8/25
Linebreeding	Nil		
Breed survey recommendations /warnings / considerations	<ul style="list-style-type: none"> A very large (61cm), long stock coat female of overall very good type. Slight restrictions in wither carriage and forehand reach. Care in regards to selecting a breeding partner. Choose a dog from very good hip and elbow producing lines. 		
Pedigree	<p>Dam: *Ch.Sabaranburg Reikki A 2-6, Z 0-0, BSC – 61.5cm (Ex M - *Conhairean Freddie – excellent hip mean score of 6.33 and elbow 92% normal – June 2025) x *Boney-M v Bad Wolde HD/ED Normal- 61.5cm).</p> <ul style="list-style-type: none"> Reikki is a previous top female in WA and previous dams group in 2024. SBE Ex3/9 2021, Scratched 2022, Ex7/7 (62cm) 2023, Ex3/4 2024. She was also VP1 Minor at the 2018 national and VG3 Inter at the 2019 national. Commendably, Reikki has had 4 A & Z but of mixed scores (average 8.25 and clear elbows) and 4 breed surveyed from 2 litters. All stand at or above the maximum height with a range of firmness in the rear and depth of hindquarters noted on surveys. *Boney -M was IID and produced 4 litters – a daughter of Landos via and Ober Bad-Boll daughter. Boney-M produced 6 A and Z (mean hip score 6.5, all clear elbows) and 3 breed surveyed offspring – to date 16 A and 16 Z grand progeny from 18 submissions. <p>Sire: *Ch. Kaster v Contra HD ED normal (Digger x Edelweiss HD ED normal, Jill Van Contra HD normal – ED fast normal) - Gold and Bronze Medallist</p>		
Titles/awards	Nil		
GSDCA Show & Trial	Nil		
Other notes	<ul style="list-style-type: none"> 2025 Best WA Bred LSC Commendably 1 of 3 from litter to be x-rayed and breed surveyed (Zelda A 2-6,0-0, Zeus 2-3, 0-0). However, above GSDCA average for hips. Again, a strong maternal line influence of Landos – stretched proportions, substantial and top size with pronounced hindquarters that is often seen with Freddie. Zarina represents both parents; however, her phenotype reflects a stronger maternal influence, demonstrating the strength and substance that is consistently seen in the Reikki–Boney-M line. Her pronounced hindquarter angulation is entirely typical of this lineage and aligns closely with the repeated pattern observed in the progeny of Reikki, Boney-M, Freddie and Kaster progeny. Ideally her head could be more correct and she should be much firmer in her pasterns (front and rear). Nil progeny to date 		

Open Stock Coat Female

Excellent Merit 1 & WA 2026 Stock coat Siegerin: Sup. Ch. Gewalt Domino

1st 41. Ms T Roberts

***AUST.SUP.CH.GEWALT DOMINO**

5100117695

04 Feb 2020 Bred By: Gewalt Kennels

*CH.GEWALT TENNESSEE DRUMMER (AI) X *KAPERVILLE A SASSY WOMAN

59.0 cm / 28.0 cm. Large, medium strong, substantial, Black & Gold Stock Coat female of excellent type and proportions. Feminine expressive head with dark eye, well set ears. Very good reach of neck, carried just a little erect, normal wither, very good topline, just slightly steep croup. Very good forequarter angulation where the upper arm could be a little better angled, very good hindquarter. Very good fore and underchest. Correct going, correct coming. In movement, shows very good reach and drive, maintaining a firm outline. Presented in good condition. Off lead presents the same picture as onlead, with very good control. Gunsure.

Now six years of age and at full maturity, Domino delivered a strong and consistent performance. Progeny from both of her litters were presented and achieved top placings, providing clear evidence of her capacity to produce quality offspring. She is a very worthy Siegerin: a female of excellent type and proportions who accurately represents her bloodlines and has demonstrated, through her progeny, the ability to reproduce her virtues— in several instances producing offspring that equal or exceed her own quality. Congratulations.

Ocean represents her pedigree, stemming from the consistently high-producing Lashadas bloodline, with strong influence through Kellyspride. Although her dam is unsurveyed, this line influence is evident, with her half-sister graded 1st VP Puppy, displaying the same type, including the characteristic dip behind the wither and tail cast.

Excellent 2: *Friedental Lil Miss Sunshine

4th 42. Mrs N A Humphries

***FRIEDENTAL LIL MISS SUNSHINE**

6100131942

10 Aug 2021 Bred By: Mrs N A Humphries

WULKANO-UNO VON SCHNITZERTEAM (IMP HUN) x MAERCECI WINTER SOLEIL

59.0 cm / 27.0 cm. Large, medium strong, substantial Black & Gold Stock Coat female of very good type and slightly stretched proportions. Feminine expressive head with dark eye, very good set ears, slight roman nose. Very good reach and angle of neck, high wither, slight dip behind, the croup is slightly steep and the tail set is a little high. Very good forequarter angulation where the upper arm could be a little better angled and slightly pronounced hindquarter. Very good fore and underchest development. Has a slight cast in the tail. Moves slightly cow-hocked going, slightly narrow coming. In movement, shows much enthusiasm with very good reach and drive, maintaining a firm outline. At times could present a more consistent picture. Praiseworthy length of foreleg. Off lead shows much enthusiasm but could show a better sequence of steps through a more consistent performance. Gunsure.

SABARANBURG ZARINA

6100143826

15 Oct 2023 Bred By: Mr B & Mrs L Lubbock

CH. KASTER VAN CONTRA (IMP DEU) x CH. SABARANBURG REIKKI

61.0 cm / 28.0 cm. Very large, medium strong, substantial, well pigmented Long Stock Coat female of very good type and proportions. Feminine head with dark eye and masking, the ears are set wide and are a little large, has a slight roman nose and the underjaw should be stronger. Good reach of neck, normal wither, the topline is sloping, the croup is slightly short and slightly steep. Good forequarter angulation the upper arm should be much better angled. Pronounced hindquarter angulation. Very good fore and slightly short underchest. She could stand more correct in front. Moves slightly wide going, narrow coming where the elbows should be firmer. In movement shows a very good sequence of steps maintaining a firm outline, there are restrictions in the reach and hindquarter drive and the neck is carried a little erect. Both front and rear pasterns should be firmer. Presented in very good coat and condition. Off lead presents the same picture with a firm overline. Gunsure.

EXCELLENT

Name	Sabaranburg Zelda	Age at show	2.5
A & Z score	A (2-6) Z (0-0)	Breed Survey	19/4/25
Linebreeding	Nil		
Breed survey recommendations /warnings / considerations	<ul style="list-style-type: none"> A very large (61cm), long stock coat female of overall very good type. Slight restrictions in wither carriage and forehead reach. Care in regards to selecting a breeding partner. Choose a dog from very good hip and elbow producing lines. 		
Pedigree	<p>Dam: *Ch.Sabaranburg Reikki A 2-6, Z 0-0, BSC – 61.5cm (Ex M - *Conhairean Freddie – excellent hip mean score of 6.33 and elbow 92% normal – June 2025) x *Boney-M v Bad Wolde HD/ED Normal- 61.5cm).</p> <ul style="list-style-type: none"> Reikki is a previous top female in WA and previous dams group in 2024. SBE Ex3/9 2021, Scratched 2022, Ex7/7 (62cm) 2023, Ex3/4 2024. Commendably, Reikki has had 4 A & Z but of mixed scores (average 8.25 and clear elbows) and 4 breed surveyed from 2 litters. All stand at or above the maximum height with a range of firmness in the rear and depth of hindquarters noted on surveys. <p>Sire: *Ch. Kaster v Contra HD ED normal Gold and 2 x Bronze Medallist (Digger x Edelweiss HD ED normal, Jill Van Contra HD normal – ED fast normal).</p>		
Titles/awards	Nil		
GSDCA Show & Trial	Nil		
Other notes	<ul style="list-style-type: none"> Mixed/limited show results VG 3 inter WCC. Commendably 1 of 3 from litter to be x-rayed and breed surveyed (Zarina A 7-5,0-0, Zeus 2-3, 0-0). Above GSDCA average for hips. Nil progeny to date 		

	<ul style="list-style-type: none"> As with her sister, Zelda demonstrates a strong maternal line influence stemming from Landos, reflected in her stretched proportions, substantial build and depth of hindquarter. While Freddie progeny more typically present with more compact proportions albeit retaining depth of hindquarter Zelda represents a blend of both parents, with a clearer expression of the maternal line. The strength and substance she displays are complemented by greater ligament firmness attributable to Kaster, contributing to overall stability of construction. In the head, greater nobility is desired, with increased strength of foreface and underjaw, alongside improved ear shape and set. At times, the head is carried a little erect, which detracts from the overall impression.

Titles/awards	Nil
GSDCA Show & Trial	Nil
Other notes	<ul style="list-style-type: none"> Limited show results: Ex 2 at the last show in 2026, VG2 in Junior SBE 2025 Nil progeny A moderate female of elongated proportions, just medium strong. She shows restriction in the forequarter coupled with a more pronounced hindquarter. She reflects her pedigree overall; however, the quality she presents does not fully match the strength and consistency typically associated with this breeding. Greater robustness is desired, particularly in the head, alongside improved firmness of ligaments and pasterns.

Open Long Stock Coat Male

Excellent Merit 1 and 2026 WA State LSC Sieger: *Friedental Hairy Maclary

1st 49. C Baker

FRIEDENTAL HAIRY MACLARY

6100130460

12 Jun 2021 Bred By: N Humphries

WULKANO-UNO VON SCHNITZERTEAM (IMP HUN) X MAERCECI MISCHIEVOUS RAFFERTY

65.0 cm / 30 cm. Large, strong, substantial, well pigmented Long Stock Coat male of excellent type and proportions. Strong masculine head with dark masking a good medium coloured eye, the ears are set just a little wide and has a slight roman nose. Very good reach and angle of neck, high wither, slightly sloping topline, the croup is of very good length, however, is a little steep. Very good forequarter angulation where the upper arm could be just a little better angled, very good hindquarter angulation. Very good fore and just slightly short underchest development. Could stand a little more correct in front and the pasterns could be a little firmer. Moves slightly wide going, slightly wide coming, the elbows should be firmer. In movement, shows a very good sequence of steps with very good reach and drive, maintaining a firm outline. Off lead, presents the same picture as onlead, with much enthusiasm. Presented in very good coat condition. Gunsure. Hairy Maclary displays ideal proportions and accurately reflects his high-quality pedigree. This is further supported by the performance of close relatives, with his sister producing class winners of the same type, and both parents themselves being previous State Sieger and Siegerin. Although his own progeny numbers are currently limited, those presented stand consistently in type and are of high quality, reinforcing the predictability of this bloodline. A very worthy 2026 WA Long Stock Coat State Sieger. Congratulations.

EXCELLENT MERIT

Name	Friedental Hairy Maclary	Age at show	4.75
A & Z score	A (2-3) Z (0-0)	Breed Survey	26/2/23
Linebreeding	Vegas Haut Mansard (4,5-5)		
Breed survey recommendations /warnings / considerations	<ul style="list-style-type: none"> A very large (66cm), strong and substantial, masculine long stock coat male with praiseworthy length of foreleg. Very good overall head structure. A very good blend of both sire and dam lines. Care to be exercised with the depth of hindquarter Suitable for females requiring improvement in overall type, strength, structure of the head and overall proportions. A very worthy potential sire and a welcome addition to the long stock coat gene pool. 		

Pedigree	<p>Dam: *Maerceci Mischievous Rafferty A 1-1, Z 0-0, BSC – 62cm – previous Exc merit and state siegerin.</p> <ul style="list-style-type: none"> Ex M *Schaeferhund Rafael – excellent hip mean score of 6.33 and elbow 81.3% normal – June 2025) x *Seigen Pure Bliss (Alfie x Bliss) Mischievous Rafferty is previously Exc Merit and WA siegerin in 2022. She has had a very good show career and has had 3 litters with 4 A and Z's (averaging 4.25) all with clear elbows. <p>Sire: Ch.Wulkano-Uno v Schnitzerteam (normal/normal) – WA, NSW and Qld Sieger (3+ times Exc Merit). Gold and silver Medallist.</p>
Titles/awards	Nil
GSDCA Show & Trial	<ul style="list-style-type: none"> 2nd Intermediate Dog 2023 Sired by Gold & silver medal winner
Other notes	<ul style="list-style-type: none"> Puppy and Junior dog winner – previous WA state breeds. Previously most consistent WA Bred winner Maternal line strong influence of Raff/Alfie/Rico combined with Friedental Rum N Cola/ Colas Karisma who was a top producer. Today measured 65cm. Hairy Maclary represents his pedigree, arguably a stronger, more substantial and masculine version of his father with commendable height to length proportions (particularly for dog of his age) with absolute masculinity. Some progeny are registered (31 from five litters), with one animal having completed A & Z and one holding a BSC. Notably, this includes the 2025 Junior National winner, Bronboreo Fabio, who stands in the same excellent type and is expected to continue a successful show career. Hairy Maclary also has a sister who is breed surveyed and of comparable quality; she has produced a 1st Junior Stock Coat (VG). In addition, his dam produced the 1st Intermediate Stock Coat (VG) at the 2026 State Breed Exhibition. Collectively, these outcomes further reinforce the consistency and predictability of this bloodline.

Excellent 1: *Ch. Sabaranburg Zeus NSPRD

2nd 50. Mrs H Lockhart

***CH. SABARANBURG ZEUS JC. RN. SPRD TK.S.**

6100143823

15 Oct 2023 Bred By: Mr B & Mrs L Lubbock

CH. KASTER VAN CONTRA (IMP DEU) x CH. SABARANBURG REIKKI

65.0 cm / 30.0 cm. Very large, strong substantial richly coloured Long Stock Cost male of excellent type and proportions. Strong masculine head with dark masking and a good medium eye colour. The ears are a little infirm and set wide. The planes of the skull could be a little more parallel. Very good reach of neck, normal wither, slight dip behind, the croup is very good length but is a little steep. Very good forequarter where the upper arm should be longer and slightly better angled. The shoulder is set a little forward. Very good hindquarter angulation. Very good fore and slightly short underchest. Could stand a little more correct in front. Moves a little narrow and coming, the elbows should be firmer. In movement, shows very good reach and drive, maintaining a form outline, however the neck is carried a little erect, which restricts at times. The tail has a slight cast. In movement, shows excellent control, presenting the same picture as onlead, however, highlights the restriction in the reach and infirmness of the ears. Presented in very good coat condition. Gunsure. Zeus displayed some restriction in the forequarter, which became more evident as the class progressed, particularly in the off-lead assessment. Greater correctness is desired in the head, specifically in the planes of the skull, as well as ear size, set, shape and firmness, which detract from the overall expression and are consistent with tendencies seen within this breeding. The tail also detracts from an otherwise pleasing outline. Zeus has a commendable dog sport career.

EXCELLENT

Name	Sabaranburg Zeus	Age at show	2.5

*Ch.Chevyvale Colt

1st 52. DJ Auguste

***AUST. CH. CHEVYVALE COLT**

6100130236

16 Jun 2021 Bred By: DJ Auguste

WULKANO-UNO VON SCHNITZERTEAM (IMP HUN) X CHEVYVALE IRRESISTIBLY DEVINE

64.0 cm / D: 29.5 cm. Just above medium size, medium strong, richly coloured Stock Coat male of excellent type and proportions. Masculine head with dark masking and medium eye colour. The ears are a little large, but well set and they tip back. The planes of the skull could be a little more parallel and there could be a little more strength of the foreface, the lips could be tighter, overall presenting a little dull in expression. Very good reach of neck, carried a little erect, high wither, slight dip behind, the croup is just a little steep. Very good forequarter angulation where the upper arm could be longer, excellent hindquarter. Very good fore and just slightly short underchest. Could stand a little more correct in front. Moves just slightly narrow going and coming. In movement, shows a very good sequence of steps, with very good reach and drive maintaining a firm outline. Off lead, presents a very similarly to on lead with some slight restrictions in reach but maintaining a very firm outline. Gunsure. Colt was presented in excellent condition and maintained a positive, enthusiastic attitude throughout the day. It was particularly commendable to see a progeny group of high quality that was consistent and typical of his breeding. Colt demonstrates a strong maternal influence, tracing back through the Karlrach lines via Jonkhara, with influence from Eigenschaft Regal Flame and Cayos v d Noriswand, and a pronounced contribution from Arkon v Altenbergerland. This blend is clearly reflected in his type and helps explain the consistency seen throughout his own exhibits and close relatives. Congratulations on a very deserving 2026 WA State Sieger.

Other notes	<ul style="list-style-type: none"> A previous WA Vice Sieger, placed behind his sire, Colt has also been consistently one of the top males in Western Australia, achieving multiple Excellent and Excellent Merit gradings across his career (Exc 1 – 2024, Exc Merit 2 – 2025, VG1 Intermediate – 2023, VP1 Puppy – 2022). His sister, Cheyvvalle Clearly Devine, also presented a dams' progeny group in 2025—an achievement worthy of recognition—and went on to be graded Excellent Merit 2 and awarded Vice Siegerin in 2025, following her VG3 Intermediate grading in 2023. These results further underline the depth and consistency of quality within this family. <p>At the 2026 WA State Breed his progeny placed:</p> <ul style="list-style-type: none"> 1st Baby Bitch Stock coat & VP 1st Baby Dog Stock & VP 1st Minor Dog Stock & VP 1st Minor Bitch Long Stock coat & VP 1st and 2nd Minor Bitch Stock coat & VP 1st Minor Dog Stock coat & VP 3rd Junior Bitch stock coat – VG 3rd Inter Bitch stock coat – VG 8th Open Stock coat bitch - Excellent

Progeny – *Ch.Chevvalle Colt			
Registered	122 (from 2023)	Number of litters	23
A & Z	11	Pass/Fail	All
Breed Survey	6	Pass/Fail	All
Notes	<ul style="list-style-type: none"> Average A: 68/11 = 6.2 (March 2026) – below the current breed average. 91% normal elbows. 6 progeny surveyed – generally of a similar type & far above average quality Minimal progeny exhibited at National level – majority of studs from Cheyvvalle, Wohlstand & Volscaro kennels 		

Lashadas Monsieur Kane

2nd 53. S & R Hosking & B & L Lubbock *LASHADAS MONSIEUR KANE

6100139698

06 Nov 2022 Bred By: Ms S Hosking
CH. SABARANBURG ROSKO x LASHADAS BORN MAGIC(AI)

65 cm / 31 cm. Large, strong, substantial, masculine Stock Coat male of very good type and proportions. Strong masculine head with dark masking and medium eye, good ears, the planes of the skull could be more parallel, has a slight roman nose. Good reach of neck, carried a little erect, normal wither, slight dip behind, sloping topline, the croup is slightly short and slightly steep. Very good forequarter angulation where the upper arm should be slightly longer and better angled, pronounced hindquarter angulation. Very good fore and slightly short underchest. Should stand a little more correct in front and the pasterns firmer overall. Moves wide going, hocks should be firmer, wide coming, elbows should be firmer. In movement, shows very good reach and drive with a good outline, however, should be much firmer overall. There is a slight cast in the tail. Off lead, shows excellent control, presenting a similar picture on lead, however, highlights restrictions in reach where the backline could be a little more moderate. Gunsure.

Kane is an absolutely masculine and substantial male. While he could have shown greater enthusiasm and overall firmness on the day, he nonetheless presents as a dog of clear presence and strength.

EXCELLENT

Name	Lashadas Monsieur Kane	Age at show	2.5
A & Z score	A (4-3) Z (0-0)	Breed Survey	24/11/2024
Linebreeding	Vegas Du Haut Mansard (5-4)		
Breed survey recommendations	<ul style="list-style-type: none"> A very large (65.5) stock coat male with very good strength of bone and overall substance, with very good pigmentation. Slight peak in the topline. 		

/warnings / considerations	<ul style="list-style-type: none"> Suitable for medium size females requiring correction in pigmentation, strength and substance and overall proportions.
Pedigree	<p>Dam:*Lashadas Magic Is Born A (2-2), Z (0-0)</p> <ul style="list-style-type: none"> Sired by VA Labo v Schollweiler x Lashadas Onyx – Exc Merit Quiz Master and top producer Exc merit Spellbinda Kellyspride whom Onyx is linebred on (4-2). Kellyspride produced numerous National medal winners and Exc Merit. <p>Sire: Sabaranburg Rosko A (3–2), Z (0–0) – Ex 1 (2022), Ex 2 (2023).</p> <ul style="list-style-type: none"> Rosko has produced 35 registered progeny to date, with five animals having completed A & Z, achieving an average hip score of 6.6 with mixed elbow results, and three progeny having attained Breed Survey. His sister, Reikki, is dam to other open exhibits standing in a similar style. Sired by” *Conhairean Freddie – excellent hip mean score of 6.33 and elbow 92% normal – June 2025). Freddie is previously Exc merit and out of Conbhairean Uno (HD ED normal) & Conbhairean Quella (HD near normal ED normal). Dam: Boney-M.

| | <ul style="list-style-type: none">• Nil progeny• Gentleman Jacks is one of six littermates to have been hip and elbow screened (average hip score 7.6, with all clear elbows), with five (three females, two males) also achieving Breed Survey. Collectively, this group sits well above the breed average and represents a well-balanced blend of bloodlines. Notably, all fall within the desired size range and display moderate, correct angulation, further highlighting the overall quality and consistency of this litter. |
