

## **GSDA of WA 36th State Breed Exhibition Barry O'Rourke Memorial Show**

**Summary and Critiques Judge: Alastair Henderson (Vic.) 19 / 20 April 2025**

The show was held at the club grounds at Southern River with perfect weather in the mid 20's both days and the grounds looking a picture which is a credit to the hard-working volunteers who give their time to make these events happen.

Things ran smoothly and thank you to Leanne Irvine as my Stenographer and to my steward-Megan, Assembly-Scott. All 3 are owners of other breeds and gave up their time to work at this show. Then the behind the scenes workers being President-Robyn Knuckey and her hard-working committee who catered, fund raising so the show could happen. Lastly to the show committee headed by Leanne Shea thanks all involved.

On Sunday a number of presentations were made one of Life Member awarded to Iain McIntosh who has held many positions in the club over many years and that is also including both show and obedience. An outstanding service award was presented to Norm Golding for his continuous involvement including maintaining the club grounds. Congratulations to both of you.

With a good entry of 64 (20 LSC,44 SC) with it was pleasing to see a number of very good quality animals in the majority of classes. As with animals over Australia and overseas we still see many with deep hindquarters and size large to very large. Depth of Chest in many is becoming too deep.

It was pleasing to promote a very good son and daughter of Uno who have shown they can produce very good progeny and are brother and sister.

Another dog that I was impressed with was the LSC male, a black in colour with very good strength and type. At 2 ½ years old a dog who should be considered.

Lastly many thanks to everyone for a great weekend and hope we you at the National.

Alastair Henderson.

59.0 / 29.0. 5 1/2 years old. Large, strong, feminine bitch of very good proportions and type. Strong feminine head, good expression, ideally the ears could be a little firmer. Good length of neck, high wither, firm topline with a good croup. Well angled upper arm with very good hind angulation with good breadth of thigh. Very good fore and underchest development, even though she has become a little deep. Stands correct in front. Shows a good sequence of steps coming and going where the elbows could be tighter. During movement displays powerful drive with very good reach maintaining a very good outline. Off-lead the wither could be maintained a little higher.

Because of her very good pedigree and construction she is an easy choice as my Siegerin for 2025.

Out of her only litter to Wulkano-Uno von Schnitzerteam, she produced 11 puppies of which 6 have successfully passed the HD,ED schemes with very good results and 5 of those have been Breed Surveyed.

Two have been shown today and gained their excellent grading. I wish her owner further success with her breeding career.

## CHERYL BEDGGOOD

At the age of 18, I started obedience training in Kalgoorlie with a wayward Afghan Hound who challenged my abilities! I purchased my first German Shepherds and discovered they were such a joy to train. I was hooked and spent many years travelling from Kalgoorlie to Perth for trials.

During this time, I was a member of the German Shepherd Dog Association of WA, a Senior Trainer and President of the Kalgoorlie & Districts German Shepherd Obedience Dog Club, and Head Trainer and President of the Eastern Goldfields Kennel Club.

It was immensely rewarding supporting and encouraging people when they competed. I became an Obedience Judge in 1980. Moving to Perth in 1981, I continued trialling with my Shepherds as well as judging Obedience and Endurance and serving on the DogsWest Obedience Committee. Two Rottweilers joined my old German Shepherd Club, and I pursued my passion of instructing, becoming Head Trainer and President of the West Coast Rottweiler Club.

I have been an Agility, Games, Rally, Dances with Dogs and Tricks Judge since the inception of these disciplines in Australia. I have enjoyed judging extensively throughout WA as well as South Australia, Queensland, Victoria, and the Northern Territory, at state and national events and Royal Shows. I have also judged overseas in Malaysia and Singapore on several occasions. Currently, I am involved in training aspiring judges in Obedience, and Rally, which I find very rewarding, and I am a committee member of the Dances With Dogs Club of WA.

I am honoured and excited to be a part of the German Shepherd Dog State Breed Exhibition and wish all competitors the best for a very successful event!
